## OSI Systems Receives #1 Customer Satisfaction Rating for Holter Monitoring Solutions

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](http://www.osi-systems.com) (NASDAQ:OSIS), a vertically-integrated provider of specialized electronic products for critical applications, today announced that its Healthcare division, Spacelabs Healthcare, earned top honors in overall customer satisfaction for Holter monitoring solutions having received MD Buyline's #1 rating in all categories, including performance, reliability, installation, implementation and applications training, as well as service response time and service repair quality.

OSI Systems CEO, Deepak Chopra, said, "We are proud to be rated #1 in an evaluation based on MD Buyline's review with hospital medical staff, including radiologists, administrators, technologists and physicists. We will strive to retain this high level of customer satisfaction through our relentless commitment to quality and performance."

Spacelabs' Holter Monitors are portable data recording devices utilized for continuously monitoring various electrical activity of a patient's cardiovascular system. Spacelabs has a complete range of noninvasive diagnostic cardiology devices, information management systems and connectivity solutions.
