

## OSI Systems Receives \$42 Million Airport Security Systems Contract

May 30, 2024

HAWTHORNE, Calif.--(BUSINESS WIRE)--May 30, 2024-- OSI Systems, Inc. (the "Company" or "OSI Systems") (NASDAQ: OSIS) today announced that its Security division was awarded a contract from an international airport for approximately \$42 million to provide a range of checkpoint and hold baggage screening solutions. Among the systems to be included are the RTT<sup>®</sup> 110 (Real Time Tomography) explosive detection system for screening hold baggage, Orion<sup>®</sup> 920CT (Computed Tomography) checkpoint screening system integrated with Rapiscan TRS<sup>™</sup> (Tray Return System) for inspecting carry-on items, and the 935DX large tunnel systems for screening air cargo and pallets. Additionally, as part of this contract, OSI Systems is also responsible for comprehensive multi-year maintenance, service, and support.

OSI Systems' Chairman and CEO, Deepak Chopra, commented, "We're pleased to have received this large aviation order and are excited about supplying our long-standing customer with our leading security products. These technologies have been designed to meet critical international airport security standards and enhance safety and security."

### About OSI Systems

OSI Systems is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense, and aerospace industries. The Company combines more than 40 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end-product markets.
