# OSI Systems Receives $32 Million Order to Provide RF-based Critical Communication Systems

Feb 24, 2025

HAWTHORNE, Calif.--(BUSINESS WIRE)--Feb. 24, 2025-- OSI Systems, Inc. (the “Company” or “OSI Systems”) (NASDAQ: OSIS) today announced that its Security division received an international order valued at approximately $32 million to provide radio frequency (RF) based critical systems that are designed for long-range secure communications. In addition, the Company is expected to support the systems integration and deployment activities for this program.

OSI Systems’ President and CEO,  Ajay Mehra, commented, “We are pleased with this award and look forward to collaborating with this customer and supporting the upgrade of its long-range communication systems. RF-based communication and surveillance solutions are a crucial component of military infrastructure world-wide.”

**About OSI Systems**

OSI Systems is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense, and aerospace industries. The Company combines more than 40 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end-product markets.
