

## OSI Systems Receives \$76 Million Order for Aviation Security Systems

Mar 27, 2025

HAWTHORNE, Calif.--(BUSINESS WIRE)--Mar. 27, 2025-- OSI Systems, Inc. (the "Company" or "OSI Systems") (NASDAQ: OSIS) today announced that its Security division received an order for approximately \$76 million to provide airport screening solutions for a major international airport. Among the systems to be deployed are the RTT® 110 (Real Time Tomography) explosive detection system for screening hold baggage and Itemiser® 5X for detecting trace amounts of explosives and narcotics.

OSI Systems' President and CEO, Ajay Mehra, commented, "We are extremely proud to have been awarded this contract to collaborate with a world-class airport to provide our RTT hold baggage systems. These advanced computed tomography detection systems are designed to enhance security at the airport by rapidly identifying potential threat items concealed within passenger baggage. This award is a testament to the strength of our technology and the trust the customer has in us to support our products throughout their lifecycle. OSI Systems remains committed to delivering leading security solutions that make global travel safer. Our innovative and broad product portfolio delivers the flexibility and technological edge needed to meet and exceed critical international standards, securing airports worldwide."

### About OSI Systems

OSI Systems is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense, and aerospace industries. The Company combines more than 40 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end-product markets.
