

OSI Systems Receives \$4 Million Award for Patient Monitoring Solutions

Apr 2, 2025

HAWTHORNE, Calif.--(BUSINESS WIRE)--Apr. 2, 2025-- OSI Systems, Inc. (the "Company" or "OSI Systems") (NASDAQ: OSIS) today announced that its Healthcare division, Spacelabs Healthcare[®], is expanding its footprint with an existing U.S.-based customer under an agreement to provide approximately \$4 million of patient monitoring solutions and related supplies and accessories to the hospital.

The agreement, which was facilitated in conjunction with a strategic partner, is part of Spacelabs' ongoing mission to foster relationships with hospitals and health systems and help providers deliver exceptional care to their patients through near-term and long-term projects.

"We are committed to assisting organizations in modernizing their infrastructure and elevating their patient care," said Ajay Mehra, OSI Systems President and CEO. "Healthcare organizations are being asked to do more with less, and we believe that technology can be instrumental in ensuring patients receive the care they need."

Spacelabs is dedicated to solving challenges the healthcare system currently faces, including the need to enhance the patient experience, improve population health, reduce costs, and support care team well-being. As part of its mission, Spacelabs develops services and technologies that are personalized and tailored to support the needs of healthcare providers anywhere in the world.

About OSI Systems

OSI Systems is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense and aerospace industries. The Company combines more than 40 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end product markets. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements relate to OSI Systems' current expectations, beliefs, and projections concerning matters that are not historical facts. Forward-looking statements are not guarantees of future performance and involve uncertainties, risks, assumptions, and contingencies, many of which are outside OSI Systems' control and which may cause actual results to differ materially from those described in or implied by any forward-looking statements. Undue reliance should not be placed on forward-looking statements, which are based on currently available information and speak only as of the date on which they are made. OSI Systems assumes no obligation to update any forward-looking statement made in this press release that becomes untrue because of subsequent events, new information, or otherwise, except to the extent it is required to do so in connection with its ongoing requirements under Federal securities laws. For a further discussion of factors that could cause OSI Systems' future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in OSI Systems' most recently filed Annual Report on Form 10-K and other risks described therein and in documents subsequently filed by OSI Systems from time to time with the Securities and Exchange Commission.
