

OSI Systems Executive Named "CFO of the Year"

Sep 30, 2025

HAWTHORNE, Calif.--(BUSINESS WIRE)--Sep. 30, 2025-- OSI Systems, Inc. (NASDAQ: OSIS) today announced that Alan Edrick, Executive Vice President and Chief Financial Officer, has been named "**CFO of the Year**" by the Los Angeles Business Journal in the Middle Market Company category recognizing his pivotal role in the Company's growth, global expansion and significant shareholder value creation. This marks Mr. Edrick's third recognition as CFO of the Year during his tenure at OSI Systems by leading industry organizations honoring exceptional financial leadership.

Ajay Mehra, OSI Systems President and Chief Executive Officer, commented, "Alan has made extraordinary contributions to OSI since joining the company, driving excellence in financial management, operational performance, and strategic leadership. Under his stewardship, OSI has achieved significant growth, establishing itself as a global leader in security solutions. Alan's impact has been instrumental to our success, and we congratulate him on this well-deserved honor."

Alan Edrick shared, "I'm truly honored to receive this prestigious award. It's a reflection of the incredible team I have the privilege to work with at OSI Systems. I want to thank my colleagues across the Company for their unwavering support, collaboration, and commitment to excellence."

About OSI Systems

OSI Systems designs and manufactures specialized electronic systems and components for critical applications. The Company operates through three key segments: Security, Optoelectronics and Manufacturing, and Healthcare. Its Security division delivers advanced inspection systems, turnkey screening solutions, and comprehensive support services to protect people and infrastructure. The Optoelectronics and Manufacturing segment serves as a trusted global supplier of high-performance optoelectronic solutions and precision manufacturing services for leading OEMs. The Healthcare segment focuses on patient monitoring, diagnostic cardiology, and related services to enhance clinical care and patient outcomes. Serving over 170 countries, OSI Systems strategically positions its sales, service, R&D, and manufacturing capabilities worldwide to provide fast and efficient delivery and support.
