

OSI Systems to Participate in the Roth Technology Conference

Nov 18, 2025

HAWTHORNE, Calif.--(BUSINESS WIRE)--Nov. 18, 2025-- [OSI Systems, Inc.](https://www.osi-systems.com) (NASDAQ: OSIS) today announced that the Company is scheduled to participate in the 14th Annual Roth Technology Conference on November 19, 2025, in New York City. The event features a schedule with multiple tracks, including moderated fireside chats, panel discussions, and one-on-one investor meetings.

About OSI Systems

OSI Systems designs and manufactures specialized electronic systems and components for critical applications. The Company operates through three key segments: Security, Optoelectronics and Manufacturing, and Healthcare. Its Security division delivers advanced inspection systems, turnkey screening solutions, and comprehensive support services to protect people and infrastructure. The Optoelectronics and Manufacturing segment serves as a global supplier of high-performance optoelectronic solutions and precision manufacturing services for leading OEMs. The Healthcare segment focuses on patient monitoring, diagnostic cardiology, and related services to enhance clinical care and patient outcomes. Serving over 170 countries, OSI Systems strategically positions its sales, service, R&D, and manufacturing capabilities worldwide to provide fast and efficient delivery and support.
