

OSI Systems to Support Security Screening at a Major Global Sporting Event

Jan 26, 2026

HAWTHORNE, Calif.--(BUSINESS WIRE)--Jan. 26, 2026-- OSI Systems, Inc. (NASDAQ: OSIS), announced today that its Security division has been awarded a contract to deliver multiple screening technologies for an upcoming major sporting event being held this winter in Europe. These systems will be utilized to screen people, baggage, and cargo, supporting a safe and seamless experience for athletes, officials, and fans from around the world.

"We are honored to help protect one of the world's most celebrated sporting events," said Ajay Mehra, President and CEO of OSI Systems. "Our leading security solutions are designed to meet the unique challenges of large-scale venues, combining advanced technology with flexibility to safeguard people and infrastructure while preserving the spirit of global competition."

About OSI Systems

OSI Systems designs and manufactures specialized electronic systems and components for critical applications. The Company operates through three key segments: Security, Optoelectronics and Manufacturing, and Healthcare. Its Security division delivers advanced inspection systems, turnkey screening solutions, and comprehensive support services to protect people and infrastructure. The Optoelectronics and Manufacturing segment serves as a global supplier of high-performance optoelectronic solutions and precision manufacturing services for leading OEMs. The Healthcare segment focuses on patient monitoring, diagnostic cardiology, and related services to enhance clinical care and patient outcomes. Serving over 170 countries, OSI Systems strategically positions its sales, service, R&D, and manufacturing capabilities worldwide to provide fast and efficient delivery and support. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements relate to OSI Systems' current expectations, beliefs, and projections concerning matters that are not historical facts. Forward-looking statements are not guarantees of future performance and involve uncertainties, risks, assumptions, and contingencies, many of which are outside OSI Systems' control and which may cause actual results to differ materially from those described in or implied by any forward-looking statements. Undue reliance should not be placed on forward-looking statements, which are based on currently available information and speak only as of the date on which they are made. OSI Systems assumes no obligation to update any forward-looking statement made in this press release that becomes untrue because of subsequent events, new information, or otherwise, except to the extent it is required to do so in connection with its ongoing requirements under Federal securities laws. For a further discussion of factors that could cause OSI Systems' future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in OSI Systems' most recently filed Annual Report on Form 10-K and other risks described therein and in documents subsequently filed by OSI Systems from time to time with the Securities and Exchange Commission.
