

OSI Systems Announces Third Quarter Conference Call

Apr 22, 2026

HAWTHORNE, Calif.--(BUSINESS WIRE)--Apr. 22, 2026-- OSI Systems, Inc. (Nasdaq: OSIS) will host its quarterly conference call on Monday, May 4, 2026, at 1:30 p.m. PT to discuss its financial results for the quarter ended March 31, 2026.

The live webcast will be available in the Investor Relations section of the Company's website at www.osi-systems.com. A replay of the conference call will be available shortly afterward and can also be accessed in the Investor Relations section of the Company's website at www.osi-systems.com.

About OSI Systems, Inc.

OSI Systems designs and manufactures specialized electronic systems and components for critical applications. The Company operates through three business segments: Security, Optoelectronics and Manufacturing, and Healthcare. Its Security division delivers advanced inspection systems, turnkey screening solutions, and comprehensive support services to protect people and infrastructure. The Optoelectronics and Manufacturing segment serves as a global supplier of high-performance optoelectronic solutions and precision manufacturing services for leading OEMs. The Healthcare segment focuses on patient monitoring, diagnostic cardiology, and related services with the goal of enhancing clinical care and patient outcomes. Serving customers in over 170 countries, OSI Systems strategically positions its sales, service, R&D, and manufacturing capabilities worldwide to provide fast and efficient delivery and support.
