Item 1.01 Entry into a Material Definitive Agreement

On May 31, 2017, OSI Systems, Inc. (the "Company") and its subsidiary OSI (Holdings) Company Limited, a UK limited company (collectively, the "Purchaser"), entered into an Equity Purchase Agreement (the "Purchase Agreement"), with Smiths Detection, LLC, a Delaware limited liability company, Smiths Detection United Kingdom Limited, a UK limited company, and Smiths Detection (Australia) Pty Ltd, an Australian company (collectively, the "Sellers"), and Smiths Detection Group Limited, a UK limited company, pursuant to which Purchaser has agreed to acquire the global explosive trace detection business that Seller Parent (as defined in the Purchase Agreement) acquired from Morpho USA, Inc. in April 2017.

The Purchase Agreement provides for the payment of cash consideration to the Sellers of \$75.5 million in cash, subject to certain adjustments as of the closing date, for 100% of the equity interests of each of MD US Trace Holding, LLC, a Delaware limited liability company, MD UK Trace Holding Limited,

a UK limited company, and MD Australia Trace Holding Pty Ltd, an Australian company (collectively, the “Target Companies”).

The completion of the transaction is subject to the satisfaction of customary conditions, including approval by the DOJ, EC and Portuguese antitrust authority. The Company intends to fund the transaction with a combination of cash on hand and money borrowed under the Company’s existing revolving credit facility.

The Purchase Agreement contains representations, warranties and covenants of the Purchaser and the Sellers that are customary for a transaction of this nature. The Sellers and the Purchaser have a right to terminate the Purchase Agreement in the event of a judgment of any governmental authority in the United States or Portugal or of the European Commission restraining, enjoining, declining to approve or otherwise prohibiting the transaction.

The foregoing descriptions of the Purchase Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

The Purchase Agreement, which has been included to provide investors with information regarding its terms and is not intended to provide any other factual information about the Purchaser, the Sellers, or the Target Companies, contains representations and warranties of each of the Purchaser and the Sellers. The assertions embodied in those representations and warranties were made for purposes of the Purchase Agreement and are subject to important qualifications and limitations agreed to by the respective parties in connection with negotiating the terms of the Purchase Agreement, including information contained in confidential disclosure schedules that the parties exchanged in connection with signing the Purchase Agreement. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from what might be viewed as material to stockholders, or which may have been used for purposes of allocating risk between the respective parties rather than establishing matters of fact. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in the Company’s public disclosures. Investors and security holders are not third-party beneficiaries under the Purchase Agreement.

Item 7.01 Regulation FD Disclosure

On June 1, 2017, the Company issued a press release announcing the entry into the Purchase Agreement. A copy of that press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Risks and uncertainties include, among other things, uncertainties regarding the timing of the closing of the transaction; the possibility that various closing conditions to the transaction may not be satisfied or waived, including that a governmental entity may prohibit, delay, or refuse to grant approval for the consummation of the transaction; that there is a material adverse change to the ETD business; the failure of the Company to achieve the expected financial and commercial results from the transaction; other business effects, including effects of industry, economic or political conditions outside the Company’s control; transaction costs; actual or contingent liabilities; as well as other cautionary statements contained elsewhere herein and in the reports filed by the Company with the Securities and Exchange Commission, including the Company’s annual report for the year ended June 30, 2016 and subsequent quarterly reports. The Parties agree that the procedure set forth in this Section 2.04 for resolving disputes with respect to the Proposed Closing Statement shall be the exclusive method for resolving any disputes with respect to Closing Date Indebtedness, Closing Date Cash, Closing Date Seller Transaction Expenses and Closing Date Net Working Capital.
- (v) The fees and expenses of the Accounting Firm shall be borne by the Sellers, on the one hand, and the Purchasers, on the other hand, based on the following formula:

 - (B) the Purchasers shall pay a portion of such fees and expenses equal to the total of such fees and expenses *multiplied by* a fraction, the numerator of which is the dollar amount of the Unresolved Objections resolved in favor of the Sellers, and the denominator of which is the total dollar amount of all Unresolved Objections.
- (d) No later than five (5) Business Days after the Proposed Closing Statement is deemed the Final Closing Statement pursuant to this Section 2.04:
 - (i) if Closing Date Indebtedness is: (A) less than Estimated Closing Date Indebtedness, the Purchasers shall deliver to the Sellers payment of the amount of

such deficit; or (B) greater than Estimated Closing Date Indebtedness, the Sellers shall deliver to the Purchasers payment of the amount of such excess;

- (ii) if Closing Date Cash is: (A) less than Estimated Closing Date Cash, the Sellers shall deliver to the Purchasers payment of the amount of such deficit; or (B) greater than Estimated Closing Date Cash, the Purchasers shall deliver to the Sellers payment of the amount of such excess;

- (iv) if Closing Date Net Working Capital is: (A) less than Estimated Closing Date Net Working Capital, the Sellers shall deliver to the Purchasers payment of the amount of such deficit; or (B) greater than Estimated Closing Date Net Working Capital, the Purchasers shall deliver to the Sellers payment of the amount of such excess.

Any payments made by any Party pursuant to this Section 2.04(d) shall be made by wire transfer in immediately available funds to a bank account designated in writing by the Party receiving payment (such designation to be made at least three (3) Business Days prior to such payment). The Parties shall net the payments, if any, to be made pursuant to Section 2.04(d)(i), (ii), (iii) and (iv) such that only one Party is required to deliver amounts required to be paid under this Section 2.04(d).

- (e) Until the date the Proposed Closing Statement is deemed the Final Closing Statement pursuant to this Section 2.04, the Purchasers agree that following the delivery of the Proposed Closing Statement to the Sellers pursuant to Section 2.04(a), the Purchasers shall provide and cause to be provided to the Sellers' Group or any Representative of the Sellers' Group (*provided that the Sellers shall be responsible for any breach of the provisions of confidentiality contained in this Agreement, including Section 6.02(b) by any such Representative*), full access upon reasonable notice during normal business hours to the properties, Contracts (to the extent in effect on the Closing Date) and books and records of the Target Companies, and the Purchasers' and their accountant's work papers relevant to the preparation of the Proposed Closing Statement and/or Final Closing Statement and the adjustments contemplated by this Section 2.04, and shall provide the Sellers, upon one of the Seller's reasonable request and at the Sellers' expense, with copies of any such Contracts, books, records and work papers. The Purchasers shall cause their personnel who were involved in the preparation of the Proposing Closing Statement (and, if applicable, any personnel who may replace any such personnel) to be reasonably available during normal business hours to, and cooperate with, the Sellers, and to respond to the Sellers' requests for information in a timely manner.

2.05 Purchase Price Allocation

The Final Global Purchase Price Allocation shall be consistent with the Initial Global Purchase Price Allocation. The Final Global Purchase Price Allocation and the US Purchase Price Allocation and the UK Purchase Price Allocation delivered by the Sellers shall be final absent manifest error.
- (c) The Parties shall report and file Tax Returns consistent with the Final Global Purchase Price Allocation and the US Purchase Price Allocation (including filing their respective IRS Forms 8594) and the UK Purchase Price Allocation, and no Party shall take any position that is inconsistent with such allocations unless required to do so by Applicable Law (*provided* that in no event shall mere disagreement between the Parties relating to the amount to be allocated to a particular asset constitute a reason to file inconsistently). In the event that either the Final Global Purchase Price Allocation or the US Purchase Price Allocation or the UK Purchase Price Allocation is disputed by any Governmental Authority, the Party receiving notice of the dispute will promptly notify the other Party, and the Parties agree to use their commercially reasonable efforts to defend the Final Global Purchase Price Allocation or the US Purchase Price Allocation or the UK Purchase Price Allocation in any audit or similar proceeding and, unless otherwise agreed to, each Party shall bear its own costs in connection with such audit or proceeding.

- (e) All products sold, offered for sale or imported or exported in connection with the Business and subject to an issued patent or trademark owned or licensed by the Target Companies have been marked with the proper patent or trademark notice in accordance with Applicable Law.
- (f) All of the IT Systems are (i) owned by, or validly licensed, leased or supplied under IT Contracts to, the Seller Group or Target Companies and (ii) maintained and supported by the Seller Group, Target Companies or by a third party under an IT Contract.
- (g) Except as would not have a Material Adverse Effect, there are no circumstances in which the ownership, benefit or right to use the IT Systems owned by a Target Company or subject to an IT Contract to which a Target Company is a party might be lost, or rendered liable to termination, solely by virtue of the acquisition of the Business by the Purchasers or the performance of this Agreement or any Ancillary Agreement.
- (h) The IT Systems that are (i) owned by the Target Companies; (ii) licensed, leased or supplied to the Target Companies under the IT Contracts; or (iii) acquired by the Purchasers under this Agreement or made available to the Purchasers under the Transition Services Agreement (that include, for purposes of this clause (iii), the information and communications technologies to the extent used by the Sellers' Group in connection with the Business as of the Closing, including hardware, Software, networks, and associated documentation), together comprise all the IT Systems that are sufficient in

all material respects to conduct and operate the Business immediately after the Closing substantially as conducted by the Sellers as of immediately prior to the Closing and in the last six months prior to the Closing, except with respect to changes made in such six month period that were not materially adverse to the operation of such IT Systems in the conduct of the Business.

- (i) The Target Companies have implemented reasonable measures to protect the confidentiality of their material trade secrets and confidential information of third parties, and the integrity, security and continuous operation of their material Software, systems and networks.
- (j) To the Sellers' Knowledge, during the three (3) years prior to the date hereof, the Business has not suffered any compromise of data security or any corruption or loss of data. 7.04 Cooperation

Each Party shall cooperate, and shall cause their Affiliates (and its and their respective officers, directors, employees or agents) to cooperate, as reasonably required to prepare and to file all Tax Returns of the Target Companies for any pre-Closing period and any Straddle Period, and to deal with any Tax Contest related to such Tax Returns or periods. The Purchasers, on the one hand, and the Sellers, on the other hand, shall each be responsible for one-half of the fees and costs associated with the preparation and filing of Tax Returns and Tax Contests for the Straddle Period. The Sellers and Purchasers shall make available to the other Party as reasonably requested information, records, and documents relating to Taxes concerning the Target Companies and shall retain any books and records that could reasonably be expected to be necessary or useful in connection with any preparation by the other Party of any Tax Return or for any Tax Contest. Such books and records will be retained until the expiration of the applicable statute of limitations (including extensions thereof to the extent known by Purchasers). Thereafter, the Purchasers will not dispose of any such Tax Returns or Books and Records unless it first offers in writing such Tax Returns and books and records to the Sellers and the Sellers fail to accept such offer within 60 days of it being made.

The UK Seller may by notice in writing to the Purchasers elect to mitigate or eliminate any liability under this Article VII by executing (or procuring that another member or members of the Sellers' Group executes) an election requesting that the whole of any chargeable realization gain (as defined in section 741(2) of the UK Corporation Tax Act 2009) accruing to the UK Target Company in connection with the sale of the UK Target Company (the **Part 8 Gain**) is treated as arising to the UK Seller or an Affiliate of the UK Seller (a **Part 8 Protective Election**).

Where the UK Seller notifies the Purchasers in writing pursuant to the foregoing:

- (a) the Purchasers shall procure that the UK Target Company takes all such steps as the Seller may reasonably request to permit and give effect to such Part 8 Protective Election, including procuring that the UK Target Company signs such Part 8 Protective Election and files it with the relevant Tax Authority;

- (b) no payment or consideration shall be required to be made or given by the Purchaser Group or the UK Target Company for such Part 8 Protective Election; and
- (c) the UK Seller shall be absolved of liability under this Article VII to the extent of the amount of Tax relating to the relevant liability relieved by such Part 8 Protective Election.

The UK Seller may require that a Part 8 Protective Election is amended or replaced (including, without limitation, to change the company to which the Part 8 Gain is treated as arising pursuant to the Part 8 Protective Election) at its discretion and the Purchasers shall procure that the UK Target Company takes all such steps as the UK Seller may reasonably request with respect to such amendment or replacement.

No later than six months after Closing the UK Seller shall notify the Purchasers in writing of the position to be adopted by the relevant Sellers' Group companies in respect of the UK corporate income tax treatment of the Sellers' Restructuring Transaction (the **UK Restructuring Tax Treatment**). Notwithstanding any provision of Section 7.02, the Purchasers shall procure that the UK Target Company adopt in its Tax Returns, and in any discussions with the UK Tax Authority, a position that is consistent and symmetrical with the UK Restructuring Tax Treatment, *provided* that the Purchasers shall not be required to procure that the UK Target Company adopt that position in its Tax Returns or in any discussions with the UK Tax Authority to the extent that that position is in contravention of Applicable Law.

7.05 Tax Contests

If any Governmental Authority makes a claim or proposes an adjustment that could give rise to a Tax Claim, the Party receiving notice of such claim or proposed adjustment shall give the other Party written notice of the claim or proposal within five (5) days of receiving such notice; *provided, however*, that failure to give such notice shall not affect any Party's indemnification obligations hereunder except to the extent the indemnifying party is materially adversely affected by such failure. The Sellers shall have the right to contest any claim or proposed adjustment by a Governmental Authority with respect to a Tax of a Target Company that would give rise to a Tax Claim against any Seller in proper proceedings at the Sellers' expense provided the Sellers acknowledge they would have liability under Section 7.01(a) if the Governmental Authority were successful with respect to any or all of such claim or adjustment. Furthermore, to the extent that the Sellers may have the right to recover the amount of a Tax Claim from a third party that may be liable for such claim (including Safran USA, Inc.) (a **Third Party Indemnitor**), such Third Party Indemnitor shall have the right to contest the claim or proposed adjustment at its own expense, pursuant to the terms of the Sellers' agreement with such Third Party Indemnitor. The Purchasers may participate in such proceeding with the Governmental Authority at its own cost. The Sellers shall not settle or compromise any such claim or proposed adjustment or agree to any payment, refund or credit of Tax (and shall not permit a Third Party Indemnitor to settle or compromise any such claim or proposed adjustment or agree to any

payment, refund or credit of Tax) without the prior written consent of the Purchasers (which shall not be unreasonably withheld or delayed). For the purposes of the foregoing it shall not be reasonable for the Purchasers to withhold or delay written consent if it is not reasonable for the Seller to withhold or delay written consent to permit a Third Party Indemnitor to settle or compromise any such

claim or agree to any such payment, refund or credit of Tax. If the Sellers or a Third Party Indemnitor declines to control a tax contest, then the Purchasers will have the right to control the conduct of such Tax Contest; *provided, however*, that the Purchasers will not resolve such Tax Contest without the Sellers' written consent, which consent will not be unreasonably withheld, conditioned or delayed, *provided* that a Third Party Indemnitor's withholding, conditioning or delaying of consent with respect to the same tax contest shall be a reasonable basis for the Sellers to withhold, condition or delay consent. To the extent they reasonably are needed in connection with the proceedings, the Purchasers shall make officers, employees, agents, auditors and representatives of the Target Companies available to the Sellers at mutually convenient times and places. Following the settlement or resolution of a Tax Contest in accordance with this [Section 7.05](#) or a final assessment by a Governmental Authority that results in an indemnification obligation under [Section 7.01\(a\)](#) or [7.01\(b\)](#), the Party required to make the indemnification payment shall promptly pay such amount to the other Party.

7.06 Transfer Taxes

The Purchasers, on the one hand, and the Sellers jointly and severally, on the other hand, shall equally be responsible for all transfer, conveyance or similar Taxes applicable to the transfer of the Equity Interests, including in respect of transfer tax stamps referred to in [Section 7.06](#) and all stamp duty or stamp duty reserve tax (including any interest or penalties) arising as a result of the entry into or implementation of this Agreement (collectively, **Transfer Taxes**). Each Party shall use reasonable best efforts to claim any available exemption from any Transfer Taxes and to cooperate with the other Parties to obtain such exemption. Notwithstanding anything herein to the contrary, the Purchasers and the Sellers shall jointly prepare and duly and timely file any Tax Returns required to be filed with respect to any Transfer Taxes, and shall jointly control any Proceeding with respect to any Transfer Tax or any Tax Return relating to a Transfer Tax.

7.07 Limitations on Indemnification of Certain Tax Matters

In respect of Tax Claims arising under Applicable Law of the United Kingdom, the Sellers shall not be liable to provide indemnification for such Tax Claim to the extent that:

- (a) specific accruals or reserves in respect of the Liability giving rise to the claim are shown in the Combined Pro-Forma Financial Statements and/or the Final Closing Statement or would have been shown but for assets in the Final Closing Statement against which the liability was offset in accordance with IFRS;
- (b) the Liability giving rise to the claim was paid or discharged at or before the Closing and such payment or discharge was reflected in the Final Closing Statement;
- (c) the Liability giving rise to the claim is attributable to: (i) a voluntary action or omission by the Purchasers or their Affiliates (or its or their respective officers, directors, employees or agents) after the Closing which the Purchasers or the relevant Affiliate was aware or ought reasonably to have been aware would give rise to the Liability (other than an action or omission (x) required by Applicable Law in force on the Closing Date; (y) required by this Agreement or any Ancillary Agreement; or (z) undertaken pursuant to a legally binding obligation entered into on or before Completion); (ii) an action or

omission by the Sellers or their Affiliates (or its or their respective officers, directors, employees or agents) before the Closing at the express written direction of the Purchasers or any of their Affiliates (or its or their respective officers, directors, employees or agents) or as required by this Agreement or any Ancillary Agreement; or (iii) a breach by the Purchasers, their transferee or their Affiliates (or its or their respective officers, directors, employees or agents) of any obligation under this Agreement;

- (d) (i) relief, other than a Purchaser's Relief, is available to the Purchasers or the Target Companies (including relief under an insurance policy) at no cost to the Purchasers or the Target Companies; or (ii) the Sellers' Tax Group makes relief available to the Target Companies for no consideration;
- (e) the Liability giving rise to the claim is attributable to, or the amount of such claim is increased as a result of, any: (i) Applicable Law not in force at the date of Closing; or (ii) any change of Applicable Law (or any change in interpretation on the basis of Applicable Law) or change in the rate of taxation effective after the date of Closing;
- (f) the Liability giving rise to the claim is contingent only, unless and until such contingent liability gives rise to an actual obligation to make a payment;
- (g) a Purchaser Indemnitee has already recovered that amount in respect of such claim under this Article VII or any other provision of this Agreement or pursuant to any other agreement with any member of the Sellers' Group, or to the extent that recovery has already been made under this Agreement in respect of the same subject matter and in the amount of the Loss claimed; or
- (h) the Purchasers or their Affiliates has or have obtained a corresponding saving or other net quantifiable financial benefit in connection with any matter giving rise to the claim or the payment of any Tax giving rise to the claim.

7.08 Miscellaneous

- (a) The sale by the US Seller of all of the Equity Interests in the US Target Company to the US Purchaser is treated for United States federal income tax purposes as a purchase and sale of all of the assets of the US Target Company as of the Effective Closing Time subject to all of the liabilities of the US Target Company as of the Effective Closing Time. Each Party will report (and cause its Affiliates to report) consistently with the foregoing, and no Party will take (or permit its Affiliates to take) any position inconsistent therewith.

- (b) For all purposes, the Parties agree to treat all payments made pursuant to indemnification obligation under this Article VII as adjustments to the Finally Determined Purchase Price, to the extent permitted by Applicable Law.
- (c) Notwithstanding anything to the contrary contained in this Agreement, the covenants and agreements of the Parties contained in this Article VII shall survive the Closing and shall remain in full force until ninety (90) days after the date of the expiration of the applicable

statute of limitations for the Taxes in question (taking into account any extensions or waivers thereof).

- (b) No Governmental Authority that has appropriate jurisdiction shall have enacted, issued, promulgated, enforced or entered any Applicable Law or Judgment that is in effect at the Closing Date and that has the effect of making the transactions contemplated hereby illegal or otherwise restraining or prohibiting the consummation of such transactions where such Applicable Law or Judgment would have, or would reasonably be expected to have, a Material Adverse Effect.

- (b) The covenants and agreements of the Sellers contained in this Agreement to be complied with or performed by the Sellers at or before the Closing shall have been complied with or performed in all material respects.
- (c) The Purchasers shall have received a certificate of the Sellers, signed by a duly authorized officer of each such Seller and dated as of the Closing Date, certifying the matters set forth in clauses (a) and (b) of this Section 8.02 (the **Sellers' Closing Certificate**).

9.01 Termination

- (a) This Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing:
- (i) by mutual written consent of the Sellers and the Purchasers;
 - (ii) by either the Sellers or the Purchasers if the Closing shall not have occurred by August 28, 2017 (the **Termination Date**); *provided that* the Party seeking to terminate this agreement pursuant to this Section 9.01(a)(ii) is not then in breach of its obligations under this Agreement;
 - (iii) by either the Sellers or the Purchasers in the event of a Judgment of any Governmental Authority in the United States or Portugal or of the European Commission restraining, enjoining, declining to approve or otherwise prohibiting the transactions contemplated hereby;
 - (iv) by the Sellers, if a breach of any representation or warranty or covenant or agreement on the part of the Purchasers set forth in this Agreement (including the obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause the conditions set forth in Section 8.03 not to be satisfied, and such breach is incapable of being cured by the Termination Date; *provided that* the Sellers are not then in breach of this Agreement so as to cause any of the conditions set forth in Section 8.02 not to be satisfied; or
 - (v) by the Purchasers, if a breach of any representation or warranty or covenant or agreement on the part of the Sellers set forth in this Agreement (including the obligation to consummate the Closing) shall have occurred that would, if occurring or continuing on the Closing Date, cause any of the conditions set forth in Section 8.02 not to be satisfied, and such breach is incapable of being cured by the Termination Date; *provided that* the Purchasers are not then in breach of this Agreement so as to cause any of the conditions set forth in Section 8.03 not to be satisfied.
- (b) In the event of a termination of this Agreement pursuant to and in accordance with this Section 9.01, written notice thereof shall be given by the Party seeking termination to the other Party and the transactions contemplated hereby shall be terminated, without further action by any Party. - (c) If this Agreement is terminated pursuant to Section 9.01(a)(iii), the Purchasers shall not be entitled to, and the Purchasers hereby covenant they will not, seek any remedy of specific performance of any of the Sellers’ or the Seller Parent’s obligations hereunder.

9.02 Effect of Termination

- (a) If this Agreement is terminated and the transactions contemplated hereby are abandoned as described in Section 9.01, this Agreement shall become null and void and of no further force and effect and, subject to Section 9.02(b), there shall be no further liability on the part of any Party, except that each of:

Notwithstanding anything to the contrary in this Agreement, the Parties acknowledge and agree that the Monitoring Trustee is independent from the Sellers and the Seller Parent and that the any action or omission by the Monitoring Trustee will not be deemed a willful or intentional act or omission by any Seller or by the Seller Parent.

ARTICLE X INDEMNIFICATION

10.01 Survival

The representations and warranties set forth in this Agreement, as well as the related obligations to indemnify and hold harmless any Person for any breach thereof pursuant to Section 10.02, shall terminate on the date that is eighteen (18) months after the Closing Date (the **Survival Date**); *provided, however*, that (i) the Survival Date for the representations and warranties contained in Sections 4.10(a) and 4.10(b) and the first sentence of Section 4.10(c) (collectively, the **Specified IP Representations**) shall be the date that is twenty-four (24) months after the Closing Date, and (ii) the Survival Date for the Specified Representations shall be 90 days after the expiration of the applicable statute of limitation (including any extensions or waivers). All covenants contained in this Agreement required to be performed prior to the Closing will survive the Closing and continue in full force and effect until performed in accordance with their terms. Notwithstanding the foregoing, any breach of any representation or warranty in respect of which indemnification may be sought under this Article X shall survive the time at which it otherwise would terminate if a notice specifying the inaccuracy or breach thereof giving rise to such right of indemnification and the supporting evidence for the alleged breach shall have been given in writing to the party against whom such indemnification may be sought prior to the Survival Date.

10.02 Indemnification

- (a) Subject to the provisions of this Article X, from and after Closing, the Sellers shall, jointly and severally, indemnify each Purchaser Indemnitee against and hold it harmless from any losses, liabilities, claims, expenses and damages, including reasonable legal fees and expenses (**Losses**) actually suffered or incurred by such Purchaser Indemnitee to the extent arising out of or resulting from: (i) the breach by the Sellers of any representation or warranty made by the Sellers in Article III or Article IV (other than in Section 4.15); (ii) the breach of any covenant or agreement by the Sellers contained in this Agreement, other than in Article VII (which are subject to the indemnification provisions of Article VII); (iii) any Liability for use of that certain 745,000 Canadian-Dollar credit note as payment for goods or services of the Business by or on behalf of the Canadian Air Transport Security Authority granted under the letter agreement, dated May 15, 2017, between the Canadian Air Transport Security Authority and Morpho Detection, LLC; *provided* that the Sellers' liability pursuant to this clause (iii) shall not exceed 745,000 Canadian Dollars; (iv) any Change of Control Payment; (v) any other Excluded Liability; (vi) any (A) severance obligations payable to Transferred Employees under any guarantee of employment identified on Section 4.11(a)(xi) of the Disclosure Schedule, and (b) similar severance obligation entered into with any Transferred Employee between the date of this Agreement and the Closing (other than any obligation entered into at the direction of the Purchasers) that is payable by any Target Company to such Transferred Employee, in each case, as a result of the termination (for any reason) of such Transferred Employee's employment at any time during the twelve (12) month period following the Closing Date; or (vii) any Seller Transaction Expense that was not included in the calculation of Closing Date Seller Transaction Expenses.

-
- (b) Subject to the provisions of this Article X, from and after Closing, the Purchasers shall, jointly and severally, indemnify each Seller Indemnitee against and hold it harmless from, any Losses actually suffered or incurred by such Seller Indemnitee to the extent arising out of or resulting from: (i) the breach of any representation or warranty made by the Purchasers in Article V; (ii) the breach of any covenant or agreement by the Purchasers contained in this Agreement, other than in Article VII (which are subject to the indemnification provisions of Article VII) or (iii) any Assumed Liability.
- (c) For purposes of this Article X, the determination of (i) whether there is a breach of any representation or warranty, other than with respect to the representations and warranties contained in Section 4.07, or (ii) the amount of any Losses, shall in each case be made without regard to any qualification or exception contained therein relating to materiality or Material Adverse Effect or any similar qualification or standard.

10.03 Limitations on Indemnification

- (a) Notwithstanding anything to the contrary contained in this Agreement (other than the proviso set forth in this Section 10.03(a)):
- (i) the Sellers shall not be liable for any claim for indemnification pursuant to Section 10.02(a)(i) unless and until the aggregate amount of Losses which may be recovered from the Sellers thereunder equals or exceeds \$377,500 (the **Deductible**), whereupon the Purchaser Indemnitees shall be entitled to indemnification only for Losses in excess of the Deductible;
- (ii) no claim for Losses under Section 10.02(a)(i) may be made (and no Losses may be recovered from the Sellers) by any Purchaser Indemnitee unless the amount of the Purchasers' Losses in respect of any such breach exceeds \$100,000 (the **De minimis**) resulting from any single claim or series of related claims with respect to such breach; and
- (iii) in no event will the Sellers have any aggregate liability under this Article X in excess of the Finally Determined Purchase Price; *provided that* the Sellers' maximum aggregate liability pursuant to Section 10.02(a)(i) shall not exceed an amount equal to \$566,250 (the **Cap**),

provided that (A) the limitations in clauses (i), (ii) and (iii) above shall not apply with respect to any claim for indemnification under Article VII or in respect of Losses based on a breach of a Specified Representation or on fraud on the part of the Sellers or any of their Affiliates, or their respective

Representatives, and in such events, the Sellers shall be jointly and severally liable to the Purchaser Indemnitees for the full amount of their Losses (except that the aggregate liability for breaches of Specified Representations shall not exceed the Finally Determined Purchase Price); (B) the limitations in clause (i) and (ii) above shall apply with respect to any claim for indemnification for breaches of the Specified IP Representations, and notwithstanding the limitations in clause (iii) above which shall not apply with respect to any claim for indemnification for breaches of the Specified IP Representations, the Sellers' maximum aggregate liability for breaches of

Specified IP Representations shall not exceed 50% of the amount by which (1) the aggregate amount of Losses for breaches of Specified IP Representations (which amount shall be capped at the Finally Determined Purchase Price) exceeds (2) the limit on liability under the R&W Insurance Policy, and (C) for the avoidance of doubt, as between the Purchasers, on the one hand, and the issuer of the R&W Insurance Policy, on the other hand, none of the limitations and restrictions (including time for asserting claims) on indemnification set forth in this Article X shall affect the rights of Purchasers under the R&W Insurance Policy, which rights shall be governed solely thereby.

- (b) Notwithstanding anything to the contrary contained in this Agreement, no Party shall have any liability under any provision of this Agreement for any punitive or incidental damages; *provided* that the foregoing shall not limit recovery in respect of a Third Party Claim, where such Third Party Claim is based on any such measure of damages.
- (c) It is agreed and understood that the Purchasers shall have no recourse against any Seller, Seller Parent or any member of the Sellers' Group for any breaches of representations and warranties (other than for breaches of the Specified Representations and as otherwise provided in the proviso to Section 10.03(a)) pursuant to Section 10.02(a)(i) in excess of the Cap, and without prejudice to the Purchasers' rights under the R&W Insurance Policy, when the amount of Losses for breaches of representations and warranties (other than for breaches of the Specified Representations and as otherwise provided in the proviso to Section 10.03(a)) reach the Cap, the right of the Purchasers to be indemnified pursuant to Section 10.02(a)(i) (other than with respect to breaches of Specified Representations and as otherwise provided in the proviso to Section 10.03(a)) shall terminate absolutely, and the Purchasers' sole recourse pursuant to Section 10.02(a)(i) for breaches of representations and warranties (other than for breaches of the Specified Representations and as otherwise provided in the proviso to Section 10.03(a)) shall be to make a claim under the R&W Insurance Policy.

10.04 Calculation of Losses

Notwithstanding anything to the contrary in this Agreement, a Party shall not be liable for any Loss incurred by the other Party:

- (a) with respect to any indemnification obligation of the Sellers, relating to any matter to the extent that: (i) accruals or reserves in respect of the Liability giving rise to (up to the amount of) the Loss are shown in the Combined Pro-Forma Financial Statements and/or the Final Closing Statement; or (ii) the matter and the amount of the Loss was taken into account in the calculation of the Finally Determined Purchase Price, whether or not any Purchaser Indemnitee shall have been compensated for such matter;
- (b) relating to any Liability which is contingent only, unless and until such contingent liability gives rise and results in an actual obligation to make a payment;
- (c) to the extent that the Liability giving rise to the Loss is attributable to (i) an action or omission by the Purchasers or their Affiliates (or its or their respective officers, directors, employees or agents) after the Closing (other than an action or omission expressly

required by (x) Applicable Law in force on the Closing Date or (y) this Agreement or any Ancillary Agreement); (ii) an action or omission by any of the Sellers or any of their Affiliates (or its or their respective officers, directors, employees or agents) before the Closing at the express written direction of a Purchaser or any of its Affiliates (or its or their respective officers, directors, employees or agents) or as required by this Agreement or any Ancillary Agreement; or (iii) a breach by the other Party, its transferee or their Affiliates (or its or their respective officers, directors, employees or agents) of any obligation under this Agreement; or

- (d) to the extent the Liability giving rise to the Loss is attributable to, or the amount of such Loss is increased as a result of, any: (i) Applicable Law not in force at the date of this Agreement; or (ii) any change of Applicable Law (or any change in interpretation on the basis of Applicable Law) or in applicable accounting standards, principles or interpretations.

For the avoidance of doubt, the provisions of this Section 10.04 shall not apply to claims for indemnification of Losses under Article VII.

10.05 Third Party Claims; Notice of Direct Claims

- (a) In order for any Person to be entitled to any indemnification provided for under this Article X in respect of, arising out of or involving a claim made by any Person (other than a Party) against an Indemnified Party (a **Third Party Claim**), such Indemnified Party must notify the indemnifying Party in writing of the Third Party Claim within ten (10) Business Days after receipt by such Indemnified Party of written notice of the Third Party Claim (or sooner, to the extent the nature of the Third Party Claim requires a response in a shorter period of time); *provided that* failure to give such notice shall not affect the right to indemnification provided hereunder except to the extent the indemnifying Party shall have been materially prejudiced as a result of such failure. Thereafter, the Indemnified Party shall deliver to the indemnifying Party, as promptly as reasonably practicable following such Indemnified Party's receipt thereof, copies of all written notices and documents (including any court papers) received by such Indemnified Party relating to the Third Party Claim.
- (b) If a Third Party Claim is made against an Indemnified Party, the indemnifying Party shall be entitled (at its election) to assume the defense of such Third Party Claim with counsel reasonably acceptable to the Indemnified Party by giving to the Indemnified Party, within twenty (20) days of receipt of a written notice of the Third Party Claim, written notice of its intention to assume the defense of such Third Party Claim. If the indemnifying Party assumes such defense, the Indemnified Party shall nonetheless have the right to employ counsel separate from the counsel employed by the

indemnifying Party; *provided that* the indemnifying Party shall not be liable to such Indemnified Party for any fees of such separate counsel with respect to the defense of such Third Party Claim, unless the engagement of such separate counsel is consented to by the indemnifying Party in writing or in the reasonable opinion of the Indemnified Party, a conflict or potential conflict exists between such Indemnified Party and the indemnifying Party that would make such separate representation advisable. If the indemnifying Party does not assume such

defense, and for any period during which the indemnifying Party has not assumed such defense, the indemnifying Party shall be liable for the reasonable fees and expenses of one single counsel employed (and reasonably acceptable to the indemnifying Party) by such Indemnified Party (which reasonable fees and expenses shall be considered Losses for purposes of this Agreement). If the indemnifying Party chooses to defend a Third Party Claim or prosecute a claim in connection therewith, each Indemnified Party shall provide all necessary cooperation in such defense or prosecution, including in making any counterclaim against the Person asserting the Third Party Claim, or any cross-complaint against any Person (other than the indemnifying Party or any of its Affiliates). Notwithstanding the foregoing, the indemnifying Party will not have any right to assume the defense of a Third Party Claim where such Third Party Claim (i) seeks injunctive or equitable relief against the Indemnified Party or any of its Affiliates or (ii) involves criminal allegations.

- (c) If the indemnifying Party assumes the defense of a Third Party Claim, the indemnifying Party may not settle, compromise or discharge such Third Party Claim without the prior written consent of the Indemnified Party, which consent will not be unreasonably withheld, conditioned or delayed; *provided*, that the consent of the Indemnified Party will not be required if (i) the indemnifying Party agrees in writing to pay any amounts payable pursuant to such settlement or any Judgment; (ii) such settlement includes a full, complete and unconditional written release of each Indemnified Party from further Liability; (iii) except in any case where court approval is needed of such a settlement, such settlement does not include any statement as to or an admission of fact, culpability or a failure to act, by or on behalf of any Indemnified Party or its Affiliates and (iv) such settlement does not in any manner involve any injunction or equitable relief against any Indemnified Party or its Affiliates. The Indemnified Party will not agree to any settlement of, or the entry of any judgment (other than a judgment of dismissal on the merits with prejudice and without costs) arising from, any Third Party Claim without the prior written consent of the indemnifying Party, which consent will not be unreasonably withheld, conditioned or delayed.
- (d) In the event an Indemnified Party has a claim against an indemnifying Party under Section 10.02 that does not involve a Third Party Claim, such Indemnified Party shall deliver notice of such claim to the indemnifying Party stating the amount of the Loss, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises, within twenty (20) Business Days of becoming aware of the facts or circumstances giving rise to such claim; *provided that* failure to give such notice shall not affect the indemnification provided hereunder except to the extent the indemnifying Party shall have been materially prejudiced as a result of such failure. The Indemnified Party and the indemnifying Party shall, for a period of not less than twenty (20) Business Days following receipt by the indemnifying Party of the notice of such claim, negotiate in good faith to resolve the claim, and such Indemnified Party shall not commence proceedings with respect to such claim prior to the end of such period.

10.06 Exclusivity of Remedies

Notwithstanding anything to the contrary contained in this Agreement, no breach of any representation, warranty, covenant or agreement contained herein shall give rise to any right on the part of the Purchasers or the Sellers, after the consummation of the transactions contemplated hereby, to rescind this Agreement or any of the transactions contemplated hereby.

10.07 Double Recovery

No Purchaser Indemnitee shall be entitled to recover any amount pursuant to any provision of this Agreement in respect of any claim to the extent that a Purchaser Indemnitee has already recovered that amount in respect of such claim under the same or any other provision of this Agreement or pursuant to any other agreement with any member of the Sellers' Group, or to the extent that recovery has already been made under this Agreement in respect of the same subject matter and in the amount of the Loss claimed.

10.08 Tax Matters

Indemnification for any Taxes or matters regarding Taxes shall be governed solely under Article VII. Nothing in this Article X shall limit or restrict in any manner any Party's right to any remedy under or for breach of any provision contained in Article VII.

10.09 No Right of Subrogation

The Purchasers shall cause their insurer under the R&W Insurance Policy to waive any rights of subrogation that such companies may have against the Sellers or any member of the Sellers' Group. The R&W Insurance Policy shall contain coverage or an endorsement containing an express waiver of any right of subrogation by the insurance company against the Sellers and any member of the Sellers' Group.

10.10 Miscellaneous

For all purposes, the Parties agree to treat all payments made pursuant to any indemnification obligation under this Agreement as adjustments to the Finally Determined Purchase Price, to the extent permitted by Applicable Law.

This Agreement may not be amended or modified except by an instrument in writing signed on behalf of each of the Parties. Each Party may (a) extend the time for performance of any of the obligations or other acts of the other Party, (b) waive any inaccuracies in the representations and

83

warranties of the other Party contained in this Agreement or (c) waive compliance with any of the covenants or conditions for the benefit of such Party contained in this Agreement *provided that* (i) any such extension or waiver by a Party will be valid only if set forth in a written document signed on behalf of the Party against whom such extension or waiver is to be effective; (ii) no extension or waiver will apply to any time for performance, inaccuracy in any representation or warranty or noncompliance with any covenant or condition, as the case may be, other than that which is specified in the written extension or waiver and (iii) no failure or delay by a Party in exercising any right or remedy under this Agreement or any of the documents delivered pursuant to this Agreement, and no course of dealing between the Parties, operates as a waiver of such right or remedy, and no single or partial exercise of any such right or remedy precludes any other or further exercise of such right or remedy or the exercise of any other right or remedy.

11.02 Assignment

This Agreement and the rights and obligations hereunder may not be assigned, delegated or otherwise transferred by any Party without the prior written consent of the other Party. Any attempted assignment in violation of this Section 11.02 shall be null and void and of no effect.

11.03 No Third-Party Beneficiaries

Except as provided for in Section 6.06 and Section 6.07(a), this Agreement shall be binding upon and inure solely and exclusively to the benefit of the Parties and their successors and permitted assigns, and nothing herein expressed or implied shall give, or be construed to give, to any Person, other than the Parties and such successors and permitted assigns, any legal or equitable right, remedies or claims under or with respect to this Agreement or any provisions hereof.

11.04 Expenses

Whether or not the Closing takes place, and except as set forth in Section 2.04(c)(v), Section 6.03(d) and Section 7.06, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such expense.

OSI SYSTEMS ENTERS INTO DEFINITIVE AGREEMENT TO ACQUIRE EXPLOSIVE TRACE DETECTION (ETD) BUSINESS FROM SMITHS GROUP PLC

- **Acquisition is highly complementary to OSI's current operations and expands its security product offerings**
- **Expected to be accretive to fiscal year 2018 non-GAAP diluted earnings per share**

HAWTHORNE, CA — June 1, 2017 —OSI Systems, Inc. (NASDAQ: OSIS) (the “Company”) today announced that it has signed a definitive agreement to acquire the global explosive trace detection (ETD) business from Smiths Group plc (“Smiths”) for \$75.5 million in cash, subject to certain adjustments as of the closing date. The ETD business, headquartered in Andover, Massachusetts, is a leader in trace detection with a current worldwide installed base of approximately 11,000 units. This business was acquired by Smiths in April 2017 as part of its acquisition of Morpho Detection. The closing of the transaction is subject to antitrust approval and other customary closing conditions.

Deepak Chopra, the Company’s Chairman and Chief Executive Officer, said, “The acquisition of this ETD business is highly complementary to our current operations and this natural fit will enable us to better serve the unique needs of our customers seeking to secure airports, borders, public venues, and critical infrastructure. This acquisition fills a gap in our aviation checkpoint offering that currently includes passenger screening, carry-on baggage inspection, and automated tray return solutions.”

The Company expects to fund the acquisition with a combination of balance sheet cash and borrowings from its existing \$525 million credit facility. The transaction is expected to be accretive to the Company’s fiscal year 2018 non-GAAP diluted earnings per share.

The acquisition of this ETD business is consistent with the Company’s strategy to expand its security offerings and will enable it to provide a full suite of checkpoint security solutions.

Non-GAAP Financial Measures

This press release includes references to non-GAAP diluted earnings per share, which is a non-GAAP financial measure. Non-GAAP diluted earnings per share excludes the impact of impairment, restructuring and other charges, acquired intangible assets and non-cash interest expense, net of tax.

The Company believes that the inclusion of non-GAAP earnings per share provides additional insight into the operations of the Company. Non-GAAP financial measures should not be considered in isolation or as a substitute for measures of financial performance prepared in accordance with GAAP. The Company also believes that this non-GAAP financial measure provides meaningful supplemental information because it excludes amounts that it does not view as reflective of ongoing operating results when planning and forecasting and when assessing the performance of its business.
