## **OSI Systems Security Division Selected as Winner of Best Explosive Detection Solution at GSN Magazine's Annual Homeland Security Awards**

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ: OSIS), a vertically-integrated provider of specialized electronics and services, today announced that, its Security division, Rapiscan Systems, was selected as winner of the Best Explosive Detection Solution at the Government Security News (GSN) magazine's Homeland Security Awards. The [GSN Homeland Security Awards](#) commemorate the ongoing public-private partnership between all branches of federal, state and local government in the United States and the private sector vendors who provide the most advanced solutions and technologies. Rapiscan was selected as a winner in the Vendors of Physical Security Products and Solutions category for its [Eagle M45](#) cargo and vehicle inspection system.

OSI Systems CEO, Deepak Chopra, commented, "We are honored to have received the GSN award recognizing the Eagle M45, our premier mobile cargo-scanning unit with rapid deployment and advanced inspection capabilities. The M45 allows operators to perform comprehensive inspection of densely packed cargos to identify the presence of hidden contraband, such as explosives, narcotics and weapons."

### **About OSI Systems, Inc.**

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense and aerospace industries. We combine more than 30 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end product markets.
