OSI Systems Executive Selected by TechAmerica as "Financial Stars of the Year" Award Winner

HAWTHORNE, Calif.--(BUSINESS WIRE)-- OSI Systems, Inc. (NASDAQ: OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the Security and Healthcare industries, today announced that Alan Edrick, Executive Vice President and Chief Financial Officer, received the 2011 TechAmerica Financial Star of the Year Award for large public companies. The inaugural awards program recognized excellence and the vast contributions that financial leaders made to their industry, their companies and communities. TechAmerica is a leading advocacy trade organization representing over 1,200 companies from several technology sectors, including aerospace, defense, medical devices and semiconductors.

Dotty Kaminsky, Director, TechAmerica Los Angeles, commented, "We congratulate Alan on his exceptional performance and leadership as CFO of OSI Systems, Inc."

Deepak Chopra, OSI Systems President and Chief Executive Officer, stated, "We are proud of Alan for this notable achievement. With this award, TechAmerica recognized Alan's financial talent and superb leadership, traits which have been instrumental to OSI Systems' success."

About OSI Systems, Inc.

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications. The Company sells its products in diversified markets, including homeland security, healthcare, defense and aerospace. The Company has more than 30 years of experience in the field of optoelectronics, electronics engineering and manufacturing and maintains offices and production facilities located in more than a dozen countries.
