OSI Systems Receives \$11 Million Order from U.S. Government Agency to Provide Maintenance and Support Services for Inspection Systems

HAWTHORNE, Calif.--(BUSINESS WIRE)-- OSI Systems, Inc. (NASDAQ: OSIS) today announced that its Security division, Rapiscan Systems, has received an order for approximately \$11 million from a U.S. government agency for maintenance and related services to support Rapiscan systems that inspect cargo, vehicles, baggage and parcels.

OSI Systems President and CEO, Deepak Chopra commented, "We are pleased to support this key U.S. government agency. We offer full life cycle support for our wide array of inspection systems and that allows customers to focus their efforts on screening operations while we provide seamless service and maintenance of the related infrastructure."

About OSI Systems, Inc.

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense and aerospace industries. We combine more than 30 years of electronics engineering and manufacturing experience with offices and production facilities in more than a dozen countries to implement a strategy of expansion into selective end product markets.
