OSI Systems Executive named "CFO of the Year"

HAWTHORNE, Calif., Sep 13, 2010 (BUSINESS WIRE) -- OSI Systems, Inc. (NASDAQ: OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the Security and Healthcare industries, today announced that Alan Edrick, Executive Vice President and Chief Financial Officer, was named "CFO of the Year" by the Los Angeles Business Journal in the large publicly-held company category.

Deepak Chopra, OSI Systems President and Chief Executive Officer, stated, "Since joining OSI, Alan has made unparalleled contributions in the areas of financial management, operational excellence and overall leadership to our organization resulting in significant gains in shareholder value. Alan has been instrumental in our success and we congratulate him on this award."

About OSI Systems, Inc.

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications. The Company sells its products in diversified markets, including homeland security, healthcare, defense and aerospace. The Company has more than 30 years of experience in the field of optoelectronics, electronics engineering and manufacturing and maintains offices and production facilities located in more than a dozen countries. It implements a strategy of expansion by leveraging its optoelectronics and contract manufacturing capabilities into selective end product markets through organic growth and acquisitions.
