## **OSI Systems Receives \$7 Million in US Government Orders for Service and Maintenance of Inspection Systems**

HAWTHORNE, CA--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ: OSIS), a vertically-integrated provider of specialized electronics and services, today announced that its Security division, Rapiscan Systems, has received orders totaling approximately \$7 million for the service and maintenance of several Rapiscan inspection platforms, including Baggage and Parcel Inspection systems and Cargo and Vehicle Inspection systems. All orders are in support of U.S. Government security and defense programs.

OSI Systems President and CEO, Deepak Chopra commented: "These wins recognize our capabilities to provide full life cycle service and support to our customers, many of whom utilize our products in very harsh environments. Rapiscan's global service network can provide a range of service options for depot or field maintenance of our broad screening system portfolio."

Rapiscan Systems operates a 24x7 global service and support team that provides expert support to customers, from pre-installation operations analysis, to operator training, to installation and on-going maintenance.
