OSI Systems Receives \$4 Million Order for Service and Maintenance of Inspection Systems

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ: OSIS), a vertically-integrated provider of specialized electronics and services, today announced that its Security division, Rapiscan Systems, received an order in excess of \$4 million for field service and maintenance of Rapiscan inspection systems, including Secure 1000 personnel screeners. This contract is in support of U.S. Government security and defense programs.

OSI Systems President and CEO, Deepak Chopra stated: "We look forward to servicing our installed base with this customer. Rapiscan is increasingly relied upon to provide comprehensive service and on site support for its wide range of inspection platforms."

Rapiscan Systems operates a 24x7 global service and support team that provides expert support to customers, from pre-installation operations analysis, to operator training, to installation and on-going maintenance.

About OSI Systems, Inc.

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic systems and components for critical applications in the homeland security, healthcare, defense and aerospace industries.
