OSI Systems Receives \$2.3 Million in Orders for Patient Monitoring & Connectivity Solutions from Lexington Medical Center

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ:OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the Security and Healthcare industries, today announced that its Healthcare division, Spacelabs Healthcare, has received orders totaling \$2.3 million from Lexington Medical Center. The progressive South Carolina hospital has chosen to upgrade to Spacelabs patient monitoring & connectivity solutions throughout the enterprise. Spacelabs products include the Ultraview SL portable, bedside and central monitors; Tru-Link supplies and accessories; and ICS G2 software applications designed to improve the efficiency, functionality and flow of clinical information.

Deepak Chopra, President and CEO of OSI Systems, stated, "We are very pleased that Lexington Medical Center has chosen Spacelabs solutions to help them deliver the very best patient care. As hospitals recognize the value of ICS G2 software applications in helping to lower costs, reduce lengths of stay, and improve outcomes, Spacelabs Healthcare will strive to stand out as the vendor of choice."
