OSI Systems Awarded Contract from HealthTrust Purchasing Group for Patient Monitoring Solutions

HAWTHORNE, Calif.--(BUSINESS WIRE)-- [OSI Systems, Inc.](#) (NASDAQ: OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the security and healthcare industries, today announced that its Healthcare division, Spacelabs Healthcare, has been awarded a contract to provide its patient monitoring solutions to the member facilities of HealthTrust Purchasing Group L.P., (HealthTrust), one of the largest healthcare group purchasing organizations (GPOs) in the U.S. Under this agreement, Spacelabs' patient monitors and connectivity solutions are available to HealthTrust's membership, which includes 1,400 hospitals nationwide.

Deepak Chopra, OSI Systems' CEO, commented, "We are pleased to partner with HealthTrust and look forward to offering its members our latest patient monitoring and connectivity solutions to enable the delivery of high quality care. We now have access to member hospitals and surgery centers that typically choose to only buy through the network of suppliers contracted with HealthTrust."

About HealthTrust Purchasing Group

HealthTrust Purchasing Group, L.P., headquartered in Brentwood, Tenn., is a group purchasing organization that supports nearly 1,400 not-for-profit and for-profit acute care facilities, as well as 10,600 ambulatory surgery centers, physician practices, and alternate care sites. With an annual purchasing volume by its members of more than \$20 billion, HealthTrust is committed to obtaining the best price for clinically recommended products, ensuring their timely delivery, and continuously evaluating and improving its services to the patients, physicians and clinicians it serves. The website is www.healthtrustpg.com.
