## **OSI Systems Wins \$3 Million Contract for qube, XPREZZON and AriaTele Patient Monitoring Solutions**

HAWTHORNE, Calif.--(BUSINESS WIRE)-- OSI Systems, Inc. (NASDAQ:OSIS), a vertically-integrated provider of specialized electronic products for critical applications in the Security and Healthcare industries, today announced that its Healthcare division, Spacelabs Healthcare, has won an approximate \$3 million contract to provide its state-of-the-art patient monitoring and connectivity solutions for a new facility in a Florida health system. Spacelabs high performance XPREZZON™ and portable qube™ patient monitors are expected to be implemented in the emergency, perioperative, neonatal and intensive care areas. Spacelabs' recently launched AriaTele™ digital transmitters would provide continuous monitoring of the hospital's ambulatory patients.

"In addition to having our very latest patient monitoring technology, this new facility will enjoy the benefits of Spacelabs' proven ICS G2 connectivity solution — making monitored information available anywhere on the hospital network, from this facility to the main hospital and beyond," said Deepak Chopra, OSI Systems CEO.

### **About OSI Systems, Inc.**

OSI Systems, Inc. is a vertically integrated designer and manufacturer of specialized electronic system and components for critical applications in the homeland security, healthcare, defense and aerospace industries.
