PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of OSI Systems, Inc. (the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting" or the "Meeting"), to be held at 10:00 a.m., local time, on December 5, 2007, at the executive offices of the Company, 12525 Chadron Avenue, Hawthorne, California 90250, and at any adjournment thereof. You may direct your vote without attending the Annual Meeting by completing and mailing your Proxy Card or voting instruction card in the enclosed, postage pre-paid envelope or, if indicated on your Proxy Card, by telephone or internet voting. Please refer to the Proxy Card for instructions.

When such proxy is properly executed and returned, the shares it represents will be voted in accordance with any directions noted thereon. Any stockholder giving a proxy has the power to revoke it at any time before it is voted by written notice to the Secretary of the Company, by issuance of a subsequent proxy as more fully described on your Proxy Card. In addition, a shareholder attending the Annual Meeting may revoke his or her proxy and vote in person if he or she desires to do so, but attendance at the Annual Meeting will not of itself revoke the proxy.

At the close of business on October 15, 2007, the record date for determining shareholders entitled to notice of and to vote at the Annual Meeting, the Company had issued and outstanding 17,139,425 shares of common stock, without par value ("Common Stock"). A majority of the shares outstanding on the record date, present in person at the Meeting or represented at the Meeting by proxy, will constitute a quorum for the transaction of business. Shares that are voted "FOR," "AGAINST," "ABSTAIN" or "WITHHELD" for a proposal are treated as being present at the Meeting for purposes of establishing a quorum. Each share of Common Stock entitles the holder of record thereof to one vote on any matter coming before the Annual Meeting. In voting for directors, however, if any shareholder gives notice at the Annual Meeting prior to voting of an intention to cumulate votes, then each shareholder has the right to cumulate votes and to give any one or to allocate among any of the nominees whose names have been placed in nomination prior to voting a number of votes equal to the number of directors to be elected (*i.e.*, six) multiplied by the number of shares which the shareholder is entitled to vote. Unless the proxy holders are otherwise instructed, shareholders, by means of the accompanying proxy, will grant the proxy holders discretionary authority to cumulate votes.

The enclosed Proxy Card, when properly signed, also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Annual Meeting and with respect to other matters which may be properly brought before the Annual Meeting. At the time of printing this Proxy Statement, management was not aware of any other matters to be presented for action at the Annual Meeting. If, however, other matters which are not now known to management should properly come before the Annual Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the proxy holders.

The total number of votes that could be cast at the Meeting is the number of votes actually cast, plus the number of abstentions and broker non-votes, described below. Abstentions are counted as shares present at the Meeting for purposes of determining whether a quorum exists; however, abstentions will not be counted as votes for or against a proposal. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called "broker non-votes") are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the Meeting, however, broker non-votes are

[Table of Contents](#)

not deemed to be votes cast. As a result, broker non-votes are not included in the tabulation of the voting results on the election of directors or issues requiring approval of a majority of the votes cast and, therefore, do not have the effect of votes for or against a proposal.

In the election of directors, the candidates who receive the largest number of affirmative votes cast are elected as directors up to the maximum number of directors to be chosen at the Annual Meeting. Approval of other proposals will require the affirmative vote of a majority of the shares of Common Stock present and voting in person at the Meeting or represented by proxy and entitled to vote on the subject matter of the proposal.

The Company will pay the expenses of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling and mailing the proxy solicitation materials. Proxies may be solicited personally, by mail, by e-mail, or by telephone, by directors, officers and regular employees of the Company who will not be additionally compensated therefore. It is anticipated that this Proxy Statement and accompanying Proxy will be mailed on or about October 26, 2007 to all shareholders entitled to vote at the Annual Meeting. A copy of the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2007, containing consolidated financial statements, is included in this mailing.

The matters to be considered and acted upon at the Annual Meeting are referred to in the preceding notice and are more fully discussed below.

ELECTION OF DIRECTORS
(Proposal No. 1 of the Proxy Card)

Nominees

The Board of Directors consists of six members. At each annual meeting of shareholders, directors are elected for a term of one year to succeed those directors whose terms expire on the annual meeting date.

The six candidates nominated for election as directors at the Annual Meeting are Deepak Chopra, Ajay Mehra, Steven C. Good, Meyer Luskin, Chand R. Viswanathan and Leslie E. Bider. The enclosed Proxy will be voted in favor of these individuals unless other instructions are given. If elected, the nominees will serve as directors until the Company's Annual Meeting of Shareholders in 2008, and until their successors are elected and qualified. If any nominee declines to serve or becomes unavailable for any reason, or if a vacancy occurs before the election (although the Company knows of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as the Board of Directors may designate.

If a quorum is present and voting, the six nominees for directors receiving the highest number of votes will be elected as directors. Abstentions and shares held by brokers that are present, but not voted because the brokers were prohibited from exercising discretionary authority, *i.e.*, broker non-votes, will be counted as present only for purposes of determining if a quorum is present.

The nominees for election as directors at this meeting are as follows:

Board of Directors Meetings and Committees of the Board of Directors

There were eight meetings of the Board of Directors and the Board of Directors acted pursuant to unanimous written consent on one additional occasion during the fiscal year ended June 30, 2007. The Board of Directors has established an Audit Committee, Compensation Committee, Executive Committee and Nominating and Governance Committee. The members of each committee are appointed by the majority vote of the Board of Directors. No person serving as a director during the fiscal year ended June 30, 2007, attended fewer than 75% of the aggregate number of meetings held by the Board of Directors and all committees on which such director served.

The Board of Directors has determined that each of the directors, except Deepak Chopra and Ajay Mehra, is independent within the meaning of the rules and regulations of the Securities and Exchange Commission (“SEC”) and The Nasdaq Stock Market (“NASDAQ”) director independence standards (“Listing Standards”), as currently in effect. Furthermore, the Board of Directors has determined that each of the members of each of the committees of the Board of Directors is “independent” within the meaning of the rules and regulations of the SEC and the NASDAQ Listing Standards, as currently in effect.

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Audit Committee makes recommendations for selection of the Company’s independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and any non-audit fees, and reviews the financial statements of the Company and the adequacy of the Company’s internal accounting controls and financial management practices.

The Audit Committee currently consists of Messrs. Bider, Good and Luskin. The Board of Directors has determined that, based upon his prior work experience and his tenure and experience on the Company’s Audit Committee, Mr. Good qualifies as an “Audit Committee Financial Expert” as this term has been defined under the rules and regulations of the SEC. To date, no determination has been made as to whether the other members of the Audit Committee also qualify as Audit Committee Financial Experts.

There were four meetings of the Audit Committee during the fiscal year ended June 30, 2007. See Report of Audit Committee. The charter of the Audit Committee is available under the Investor Relations section of our website – <http://www.osi-systems.com>.

Compensation Committee

The Compensation Committee is responsible for determining compensation for the Company’s executive officers, reviewing and approving executive compensation policies and practices, and providing advice and input to the Board of Directors in the administration of the Company’s equity compensation plans. The Compensation Committee engages and consults with independent compensation consultants in the performance of its duties. The Compensation Committee consists of Messrs. Good and Luskin. There was one meeting of the Compensation Committee during the fiscal year ended June 30, 2007. See *Compensation Committee Report*.

The Compensation Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available under the Investor Relations section of our website – <http://www.osi-systems.com>.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for evaluating nominations for new members of the Board of Directors. The Nominating and Governance Committee currently consists of Messrs. Bider, Good and Luskin. There were no meetings of the Nominating and Governance Committee during the fiscal year ended June 30, 2007.

[Table of Contents](#)

The Nominating and Governance Committee will consider candidates based upon their business and financial experience, personal characteristics, expertise that is complementary to the background and experience of other Board of Directors members, willingness to devote the required amount of time to carrying out the duties and responsibilities of membership on the Board of Directors, willingness to objectively appraise management performance, and any such other qualifications the Nominating and Governance Committee deems necessary to ascertain the candidate's ability to serve on the Board of Directors.

The Nominating and Governance Committee acts pursuant to a written charter adopted by the Board of Directors. The charter of the Nominating and Governance Committee is attached as Appendix A to the Proxy Statement and is available under the Investor Relations section of our website – <http://www.osi-systems.com>.

Executive Committee

In January 2004, the Board of Directors formed an Executive Committee whose members convene for the purpose of advising and consulting with the Company's management regarding potential acquisitions, mergers and strategic alliances. The Executive Committee consists of Messrs. Good and Luskin. There were no meetings of the Executive Committee during the fiscal year ended June 30, 2007.

The Executive Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available under the Investor Relations section of our website – <http://www.osi-systems.com>.

Director Nomination Process

The Nominating and Governance Committee will consider director candidates recommended by shareholders. Shareholders who wish to submit names of candidates for election to the Board of Directors must do so in writing. The recommendation should be sent to the following address: c/o Secretary, OSI Systems, Inc., 12525 Chadron Avenue, Hawthorne, CA 90250. The Company's Secretary will, in turn, forward the recommendation to the Nominating and Governance Committee. The recommendation should include the following information:

- A statement that the writer is a shareholder and is proposing a candidate for consideration by the Nominating and Governance Committee;
- The name and contact information for the candidate;
- A statement of the candidate's occupation and background, including education and business experience;
- Information regarding each of the factors listed above, sufficient to enable the committee to evaluate the candidate;
- A statement detailing (1) any relationship or understanding between the candidate and the Company, or any customer, supplier, competitor, or affiliate of the Company, and (2) any relationship or understanding between the candidate and the shareholder proposing the candidate for consideration, or any affiliate of such shareholder; and
- A statement that the candidate is willing to be considered for nomination by the committee and willing to serve as a director if nominated and elected.

Shareholders must also comply with all requirements of the Company's Bylaws, a copy of which is available from our Secretary upon written request, with respect to nomination of persons for election to the Board of Directors. The Company may also require any proposed nominee to furnish such other information as the Company or the committee may reasonably require to determine the eligibility of the nominee to serve as a director. In performing its evaluation and review, the committee generally does not differentiate between candidates proposed by shareholders and other proposed nominees, except that the committee may consider, as one of the factors in its evaluation of shareholder recommended candidates, the size and duration of the interest of the recommending shareholder or shareholder group in the equity of the Company.

[Table of Contents](#)

To date, the Nominating and Governance Committee has not retained or paid any third party to identify or evaluate, or assist in identifying or evaluating, potential director nominees, although it may do so in the future. The Nominating and Governance Committee did not receive any shareholder recommendations for nomination to the Board of Directors in connection with this year's Annual Meeting, and this year's nominees for director are all currently directors of the Company. Shareholders wishing to submit nominations for next year's annual meeting of shareholders must notify us of their intent to do so on or before the date on which shareholder proposals to be included in the proxy statement for the shareholder meeting must be received by the Company. For details see "Shareholder Proposals."

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is composed of two non-employee directors, Messrs. Good and Luskin. No executive officer of the Company has served during the fiscal year ended June 30, 2007 or subsequently as a member of the board of directors or compensation committee of any entity which has one or more executive officers who serve on the Company's Board of Directors or the Compensation Committee. During the fiscal year ended June 30, 2007, no member of the Company's Compensation Committee had any relationship or transaction with the Company required to be disclosed pursuant to Item 404 of Regulation S-K under the Exchange Act.

The Board of Directors unanimously recommends that you vote FOR the election of each of Deepak Chopra, Ajay Mehra, Steven C. Good, Meyer Luskin, Chand R. Viswanathan and Leslie E. Bider as directors of the Company. Holders of proxies solicited by this Proxy Statement will vote the proxies received by them as directed on the Proxy or, if no direction is made, for each of the above-named nominees. The election of directors requires a plurality of the votes cast by the holders of the Company's Common Stock present in person at the Meeting or represented by proxy, and entitled to vote on the subject matter of the proposal.

**RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Proposal No. 2 of the Proxy Card)**

The Audit Committee of the Board of Directors has selected Moss Adams LLP (“Moss Adams”) as the Company’s independent registered public accountants for the year ending June 30, 2008, and has further directed that management submit the selection of independent registered public accountants for ratification by the Company’s shareholders at the Annual Meeting. Moss Adams has no financial interest in the Company and neither it nor any member or employee of the firm has had any connection with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

In the event that the Company’s shareholders fail to ratify the selection of Moss Adams, the Audit Committee will reconsider whether or not to retain the firm. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the Company’s and its shareholders’ best interests.

Representatives of Moss Adams are expected to be present at the Annual Meeting and they will have an opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

Our Board of Directors unanimously recommends a vote “FOR” the ratification of Moss Adams as the Company’s independent registered public accountants for the fiscal year ending June 30, 2008. Holders of proxies solicited by this Proxy Statement will vote the proxies received by them as directed on the Proxy or, if no direction is made, in favor of this proposal. In order to be adopted, this proposal must be approved by the affirmative vote of the holders of a majority of the shares of Common Stock present and voting at the Meeting.

RATIFICATION OF AMENDMENT TO 2006 EQUITY PARTICIPATION PLAN
(Proposal No. 3 of the Proxy Card)

Summary and Purpose of the Amended Equity Participation Plan

The Company's 2006 Equity Participation Plan (the "2006 Plan") is described below in "Compensation of Executive Officers and Directors – Company Plans."

The Board of Directors has voted to amend the 2006 Plan to (i) increase the number of shares of Common Stock authorized for issuance under the plan by 2,000,000 shares; (ii) limit the number of shares of restricted stock available for issuance under the 2006 Plan to 1,000,000 shares; and (iii) raise from 85% of market value to 100% of market value, the lowest exercise price at which stock options may be granted under the plan. No other changes to the 2006 Plan are presently proposed.

Increase in Number of Authorized Shares

The 2006 Plan, originally named the 1997 Stock Option Plan, has been in place since 1997. As of September 26, 2007, options to purchase 1,470,908 shares had been exercised since the inception of the 2006 Plan. As of September 26, 2007, options to purchase 1,490,566 shares were outstanding under the 2006 Plan. As of such date, the Company had issued 60,825 shares of restricted stock under the 2006 Plan. As a result, the Company presently has only 316,706 shares authorized for issuance under the 2006 Plan.

The Board of Directors believes that the proposed increase in the number of shares of Common Stock available for issuance as provided in the 2006 Plan will provide the Compensation Committee with greater flexibility in the administration of its incentive plan and is appropriate in light of the growth of the Company. The increase in the number of shares for which options may be granted under the 2006 Plan would represent approximately 12% of the issued and outstanding shares of Common Stock of the Company as of September 26, 2007.

Limitation on Number of Shares Authorized for Issuance in the Form of Restricted Stock

The Board of Directors believes that the Company's success depends in large part on its ability to attract, retain, and motivate its executive officers and other key personnel and that grants of restricted stock may be a significant element of compensation for such persons. However, because restricted stock has an immediate value upon vesting, restricted stock awards are generally smaller, by a significant factor, than stock options which, upon vesting, may not ultimately have a value to the recipient. As a result, although the Board of Directors has authorized the issuance of grants of restricted stock and plans to continue to do so in the future, it does not presently anticipate that it will require more than 1,000,000 shares for such purposes. The Board of Directors believes that by amending the 2006 Plan to limit the number of shares of restricted stock available for issuance, it will eliminate confusion about the Company's present plans with respect to the issuance of restricted stock.

Exercise Price of Stock Options

All stock options currently outstanding under the 2006 Plan specify an exercise price of 100% of the market value of the Company Common Stock on the date such stock options were granted. The Board of Directors presently anticipates that all future stock option granted will also specify an exercise price of at least the market value of the Company's Common Stock on the date of grant. The Board of Directors believes that by amending the 2006 Plan to require that future grants specify an exercise price of at least the market value of the Company's Common Stock on the date of grant, it will eliminate confusion about the Company's present plans with respect to the issuance of stock options.

The 2006 Plan, as amended and restated, is attached as Appendix B to this Proxy Statement.

Awards to be Granted to Certain Individuals and Groups

As of the date hereof, the Company cannot determine the benefits or amounts that will be received by or allocated to any individual or group resulting from the approval of the amendment to the 2006 Plan. The following table sets forth (a) the aggregate number of shares subject to option grants to certain individuals and groups under the 2006 Plan during the last fiscal year, which ended June 30, 2007, and (b) the average per share exercise price of such options.

Name of Group	Number of Options Granted	Average Per Share Exercise Price
Named Executive Officers(1)	70,000	\$ 18.04

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion & Analysis

This Compensation Discussion and Analysis describes the Company's compensation philosophy, objectives, and processes, including the methodology for determining executive compensation for the "Named Executive Officers," as defined under the section entitled "Compensation of Executive Officers and Directors – Summary Compensation Table." Please also refer to the more detailed compensation disclosures beginning with and following the "Summary Compensation Table" contained in this Proxy Statement.

Overview of Compensation Philosophy and Guiding Principles

The Company recognizes and values the critical role that executive leadership plays in its performance. The Company's executive compensation philosophy is intended to ensure that executive compensation is aligned with its business strategy, objectives and stockholder interests, and is designed to attract, motivate and retain highly qualified and key executives. Executive compensation elements generally consist of a base salary, an annual cash bonus, long-term equity compensation and certain benefits and perquisites more fully described below.

Role of the Compensation Committee

The Company's Board of Directors appoints members to the Compensation Committee to assist in recommending and reviewing executive compensation for the Named Executive Officers. The Compensation Committee reviews and approves salaries, annual bonuses, long-term incentive compensation, benefits, and other compensation in order to ensure that the Company's executive compensation strategy and principles are aligned with its business strategy, objectives and stockholder interests. Each member of the Compensation Committee is independent within the meaning of the rules and regulations of the SEC and the Nasdaq Listing Standards, as currently in effect.

Executive Compensation Methodology

The Compensation Committee takes into account various qualitative and quantitative indicators of corporate and individual performance in determining the level and composition of compensation to be paid to the Named Executive Officers. The Compensation Committee appreciates the importance of achievements that may be difficult to quantify, and accordingly recognizes qualitative factors, such as superior individual performance, new responsibilities or positions within the Company, leadership ability and overall management contributions to the Company.

In general, the process by which the Compensation Committee makes decisions relating to executive compensation includes, but is not limited to, consideration of the following factors:

- The Company's executive compensation philosophy and practices
- The Company's performance relative to peers and industry standards
- Success in attaining annual and long-term goals and objectives
- Alignment of executive interests with shareholder interests through equity-based awards and performance-based compensation
- Individual and team contributions, performance and experience
- Total compensation and the mix of compensation elements for each Named Executive Officer

The Compensation Committee also evaluates the compensation of the Named Executive Officers in light of information regarding the compensation practices and corporate financial performance of other companies in the industries in which the Company operates. The Compensation Committee assesses competitive market

[Table of Contents](#)

compensation using a number of data sources reflecting industry practices of other organizations similar in size. The Compensation Committee reviews each component of the executive's compensation against executive compensation surveys prepared by outside compensation consultants engaged by the Compensation Committee. During the year ended June 30, 2007, the Compensation Committee engaged Watson Wyatt to prepare such surveys and provide expert advice. The surveys used for comparison reflect compensation levels and practices for executives holding comparable positions at targeted peer-group companies. These surveys collect compensation data from peer-group companies based on revenues. The survey data utilized by the Compensation Committee generally includes:

- base salary,
- annual bonus,
- total cash compensation,
- pay adjustment trends,
- long-term incentives,
- retirement and capital accumulation,
- benefits and perquisites, and
- equity ownership.

In implementing the Company's compensation program, the Compensation Committee seeks to achieve a balance between compensation and the Company's annual and long-term budgets and business objectives, encourage executive performance in furtherance of stated Company goals, provide variable compensation based on the performance of the Company, create a stake in the executive officer's efforts by encouraging stock ownership in the Company, and align executive remuneration with the interests of the Company's shareholders.

Executive Compensation Program Elements

The Compensation Committee reviews the Company's compensation program to ensure that pay levels and incentive opportunities are competitive with the market and reflect the performance of the Company. In addition, the Compensation Committee reviews components of the Named Executive Officer's compensation against executive compensation surveys of a peer group prepared by outside compensation consultants with the intent to establish targeted levels of base salary, annual incentive bonus and long-term incentive compensation. The particular elements of the compensation program for the Named Executive Officers consist of the following:

Base Salary. Base salary is set to attract and retain executive talent and it serves as the only form of fixed income paid to Named Executive Officers for executing their duties. Base salaries for the Named Executive Officers are established at levels considered appropriate in light of the duties and scope of responsibilities of each executive officer's position, and the experience the individual brings to the position. Salaries are reviewed periodically and adjusted as warranted to reflect sustained individual performance. Base salaries are kept within a competitive range for each position, reflecting both job performance and market forces.

Annual Incentive Bonus. Annual incentive bonuses are designed to focus the Company's Named Executive Officers on annual operating achievement. Named Executive Officers are eligible for a target annual incentive bonus. The Company pays annual incentive bonuses to its Named Executive Officers based upon the achievement of targets that are indicative of the Company's performance, as well as individual performance. The annual incentive bonus for fiscal year 2007 paid to each of the Named Executive Officers is shown in the "Bonus" column of the "Summary Compensation Table."

Long-Term Incentive Compensation/Equity Based Awards. The Company's long-term incentive program is designed to retain the Named Executive Officers and to align the interests of the Named Executive Officers with the interests of the Company's stockholders. The Company's long-term incentive program consists of periodic grants of stock options which are made at the discretion of the Compensation

[Table of Contents](#)

Committee under the 2006 Plan. Beginning in fiscal year 2008, the Company's long-term incentive program will also consist of periodic grants of restricted stock. Decisions made by the Compensation Committee regarding the amount of the grant and other discretionary aspects of the grant take into consideration Company performance, individual performance and experience, contributions to the Company's development, competitive forces to attract and retain senior management, and the nature and terms of grants made in prior years.

The Compensation Committee typically grants awards to the Named Executive Officers under the 2006 Plan on a yearly basis. Except in limited circumstances, the Compensation Committee does not grant equity awards to Named Executive Officers at other times during the year. All equity awards are made at fair market value on the date of grant, which is the date on which the Compensation Committee authorizes the grant. Under the 2006 Plan, fair market value is determined by the closing price of the Company's Common Stock on the date of grant.

Benefits and Perquisites. Benefits and perquisites are designed to attract and retain key employees. Currently, the Named Executive Officers are eligible to participate in benefit plans available to all employees including the Company's 401(k) Plan and the 2006 Plan. Other benefits and perquisites are limited and are provided at the discretion of the Compensation Committee. These benefits include medical and dental health insurance plans and life and long-term disability insurance plan benefits. The 401(k) Plan and the medical and dental plans require each participant to pay a contributory amount. The Company provides a discretionary matching contribution to its 401(k) Plan for participating employees, including the Named Executive Officers. Employee individual plan contributions are subject to the maximum contribution allowed by the Internal Revenue Service.

Total Compensation Mix

The Compensation Committee believes that the elements described above provide a well proportioned mix of equity-based compensation, at risk or performance based compensation, and retention based compensation that produces short-term and long-term incentives and rewards. The Company believes this compensation mix provides the Named Executive Officers a measure of security as to the minimum levels of compensation that they are eligible to receive, while motivating the Named Executive Officers to focus on the business measures that will produce a high level of performance for the Company, as well as reducing the risk of recruitment of highly qualified executive talent by the Company's competitors. The mix of annual incentives and the equity-based awards likewise provides an appropriate balance between short-term financial performance and long-term financial and stock performance. The Company believes that its compensation mix results in a pay-for-performance orientation that is aligned with its compensation philosophy to pay median pay for median performance and above-market pay for superior performance.

Employment Agreements

The Company has entered into employment agreements with Messrs. Chopra, Edrick and Mehra and change-of-control agreements with Messrs. Mehra, Wadhawan, Sze and Mansouri. The terms of each of such agreements are summarized below under the heading "Employment Agreements, Termination of Employment and Change in Control Arrangements."

Impact of Accounting and Tax on the Form of Compensation

The Compensation Committee considers applicable tax, securities laws and accounting regulation in structuring and modifying its compensation arrangements and employee benefit plans. The Compensation Committee has considered the impact of the Statement of Financial Accounting Standard No. 123, "Share-Based Payment" ("SFAS 123R"), which the Company adopted in fiscal year 2006, on the Company's use of equity-based awards. This consideration factored heavily in the Company's decision with respect to stock options grants

[Table of Contents](#)

made in fiscal year 2007. The Compensation Committee also considers the limits on deductibility of compensation imposed by Section 162(m) of the Internal Revenue Code (the "Code") with respect to annual compensation exceeding \$1.0 million and Section 280(b) of the Code with respect to change in control payments exceeding specified limits.

Employment Agreements, Termination of Employment and Change in Control Arrangements

Employment Agreements

On July 18, 2005, the Company entered into an Amended and Restated Employment Agreement with its Chairman, President and Chief Executive Officer, Deepak Chopra. Unless the employment agreement is terminated earlier in accordance with its terms, the Company will employ Mr. Chopra until the later of (1) the fifth anniversary of the date of the agreement or (2) the close of business three years following the date that either party notifies the other in writing of its election to end the term of the agreement. The agreement provides for a base salary to be determined each year by the Company. Most recently, the Compensation Committee set Mr. Chopra's annual base salary at \$1,000,000 effective July 1, 2006. Mr. Chopra is entitled to receive one-third of the Company's year-end bonus pool for management, if a bonus pool is established, and to participate in

incentive compensation and other employee benefit plans established by the Company from time to time. The agreement contains certain restrictive covenants and other prohibitions that protect the Company's proprietary and confidential information following termination, and preclude Mr. Chopra from soliciting its employees or customers after the expiration of the term of his employment with the Company. The agreement also contains certain provisions regarding potential payments upon termination of employment or a change in control of the Company, which are described in "Potential Payments upon Termination or Change in Control" below.

On July 25, 2006, the Company entered into an employment agreement with Alan Edrick, its Chief Financial Officer. The initial term of Mr. Edrick's employment agreement was one year. The agreement automatically renewed until July 24, 2008. The agreement provides for a base salary to be determined each year by the Company. During the term of his employment, Mr. Edrick's base salary cannot be reduced. Most recently, the Compensation Committee set Mr. Edrick's annual base salary at \$335,000, effective September 1, 2007. Under the terms of the agreement, Mr. Edrick initially received options to purchase 50,000 shares of Common Stock of the Company; 100,000 shares of common stock of the Company's subsidiary, Spacelabs Healthcare, Inc.; and 200,000 shares of common stock of the Company's subsidiary, Rapiscan Systems Holdings, Inc. Each of these options was priced as of the date of grant, vests over a three-year period and expires five years from the date of grant. In addition, Mr. Edrick is entitled to participate in the Company's bonus pool, and is entitled to benefits under any plan made available to any other similarly situated executives. In addition, the Company pays Mr. Edrick a car allowance in the amount of \$1,000 per month. Furthermore, in the event of the relocation of the Company's principal office more than 50 miles from its present location, the Company will offer Mr. Edrick a reasonable relocation package. The agreement contains certain restrictive covenants and other prohibitions that protect the Company's proprietary and confidential information following termination, and preclude Mr. Edrick from soliciting its employees or customers after the expiration of the term of his employment with the Company. The agreement also contains certain provisions regarding potential payments upon termination of employment or a change in control of the Company, which are described in "Potential Payments upon Termination or Change in Control" below.

On September 1, 2000, the Company entered into an employment agreement with Ajay Mehra, its Executive Vice President and the President of its Security division. In November 2006, the Company amended Mr. Mehra's employment agreement to extend the term of the agreement until August 31, 2009. The agreement provides for a base salary to be determined each year by the Company. Most recently, the Compensation Committee set Mr. Mehra's annual base salary at \$375,000 effective September 1, 2007. Mr. Mehra is eligible to receive discretionary bonus payments from the bonus pool established by the Company for its officers and employees and to participate in incentive compensation and other employee benefit plans established by the Company. The agreement contains certain restrictive covenants and other prohibitions that protect the Company's proprietary and confidential information following termination, and preclude Mr. Mehra from soliciting its employees or customers after the expiration of the term of his employment with the Company. Mr. Mehra has also entered into a Letter Agreement for Payments upon a Change in Control with the Company's Rapiscan Systems Holdings, Inc. subsidiary, which contains provisions regarding potential payments upon termination of employment or a change in control of such subsidiary, which are described in "Potential Payments upon Termination or Change in Control" below.

Potential Payments upon Termination or Change in Control

Messrs. Chopra and Edrick have each entered into employment agreements with the Company which provide for potential payments upon termination or change in control. Mr. Mehra has entered into a change in control agreement with the Company's Rapiscan Systems, Inc. subsidiary. Mr. Sze has entered into a change in control agreement with the Company. Mr. Mansouri has entered into a change in control agreement with the Company's OSI Optoelectronics, Inc. subsidiary. Mr. Wadhawan has entered into a change in control agreement with the Company's Rapiscan Systems, Inc. subsidiary.

[Table of Contents](#)

The following tables show the potential payments upon termination or a change in control. The tables assume each such Named Executive Officer's employment was terminated on June 30, 2007, and assume that the change in control occurred at June 30, 2007. These disclosed amounts are estimates only and do not necessarily reflect the actual amounts that would be paid to the Named Executive Officers, which would only be known at the time that they become eligible for such payments.

Deepak Chopra: Specific Circumstances Triggering Payment upon Termination or Change in Control

Termination for "Cause"

The Company may terminate Mr. Chopra's employment at any time for "Cause" by delivering written notice to Mr. Chopra. "Cause" is defined as any of the following events: (1) Mr. Chopra is convicted, or pleads guilty or *nolo contendere* to, a felony or a crime involving moral turpitude; (2) Mr. Chopra engages in gross negligence or gross or willful misconduct in connection with the performance of his responsibilities under the employment agreement; (3) after written notice to Mr. Chopra, Mr. Chopra repeatedly fails to comply materially with any material Company policy; or (4) Mr. Chopra materially breaches any material term or provision of the employment agreement and fails to cure such breach within 30 days after he receives written notice from Company. In the event that Mr. Chopra is terminated for "Cause," then he will be entitled to unpaid salary, prorated bonuses, unpaid vacation days, unpaid expenses and other benefits made available to the Company's senior members of management, or to its employees generally, through the date of termination.

The table below reflects the breakdown of payments and benefits that Mr. Chopra would receive assuming that his employment was terminated for "Cause" on June 30, 2007:

<u>Name</u>	<u>Base Salary</u>	<u>Bonus(1)</u>	<u>Vacation Payout</u>	<u>Expenses</u>	<u>Employee Benefits</u>	<u>Total</u>
Deepak Chopra	\$ 38,462	\$ 250,000	\$ 113,923	—	—	\$ 402,385

- (1) For the purposes of this table, the bonus amount is based on the bonus amount granted by the Compensation Committee to Mr. Chopra following the completion of the fiscal year ended June 30, 2007, for performance in the fiscal year ended June 30, 2007.

Termination with "Good Reason" or without "Cause"

In the event that Mr. Chopra resigns from his employment with the Company with "Good Reason" (as defined below), or the Company terminates Mr. Chopra without "Cause," then: (1) Mr. Chopra will be entitled to all of his unpaid salary, prorated bonuses, unpaid vacation days, unpaid expenses, and other benefits made available to the Company's senior members of management, or to its employees generally, through the date of his resignation with "Good Reason" or termination without "Cause;" (2) Mr. Chopra will continue to be entitled to receive all of his salary, unpaid expenses, unpaid vacation days, bonuses and other benefits made available to the Company's senior members of management, or to its employees generally, for a period of 3 years from the date of resignation with "Good Reason" or termination without "Cause," without any deduction or offset for any compensation earned or received by Mr. Chopra from any other sources and without any further obligation by Mr. Chopra to render services to the Company; and (3) at Mr. Chopra's election upon written notice to the Company within 10 days after his resignation with "Good Reason" or termination without "Cause," all of his unvested stock options in the Company will fully vest upon the date of his resignation with "Good Reason" or termination without "Cause."

Table of Contents

- (3) Material reduction in the level of Mr. Chopra’s responsibility, authority, autonomy, title, compensation, executive perquisites or other employee benefits;
- (4) Failure to keep Mr. Chopra in office as President and Chief Executive Officer of Company;
- (5) The Company materially breaches any material term or provision of the employment agreement and fails to cure such breach within 30 days after it receives written notice from Mr. Chopra;
- (6) Fraud on the part of the Company; or

The table below reflects the breakdown of payments and benefits that Mr. Chopra would receive assuming that his employment agreement was terminated by the Company without “Cause” or by Mr. Chopra for “Good Reason” on June 30, 2007:

Name	Base Salary	Bonus(1)	Vacation Payout	Expenses	Employee Benefits(2)	Accelerated Vesting(3)	Total
Deepak Chopra	\$ 3,000,000	\$ 750,000	\$ 113,923	—	\$ 249,609	\$ 1,467,393	\$ 5,580,925

- (1) For the purposes of this table, the bonus amount is based on the bonus amount granted by the Compensation Committee to Mr. Chopra following the completion of the fiscal year ended June 30, 2007, for performance in the fiscal year ended June 30, 2007.
- (2) Consists of benefits under any plan made available to the Company’s senior members of management or its employees generally during the course of Mr. Chopra’s employment, including any pension, profit sharing, savings or other retirement plans or programs, accidental death and dismemberment protection, flex plans, or any other pension or retirement plans or programs and any other employee welfare benefit plans or programs that may be sponsored by the Company from time to time, along with automobile, life or other insurance benefits that Mr. Chopra is entitled to receive.

The stock option value of options to purchase shares of Rapiscan Systems Holdings, Inc. common stock is calculated by multiplying the number of unvested options to purchase shares by the difference between the grant price and the most recent valuation of such stock by the Company’s management. Management last performed such valuation on May 7, 2007. Spacelabs Healthcare, Inc. common stock trades on the AIM, a market administered by the London Stock Exchange. The stock option value of options to purchase shares of Spacelabs Healthcare, Inc. common stock is calculated by multiplying the number of unvested, in-the-money options to purchase shares by the difference between the grant price and the closing stock price of Spacelabs Healthcare, Inc. common stock on June 29, 2007 (£0.72 or \$1.44).

Termination with “Good Reason” or without “Cause” in Connection with a “Change in Control”

In the event Mr. Chopra resigns from the Company with “Good Reason” or the Company terminates him without “Cause” at any time upon or after the occurrence of a “Change in Control” (as defined below), then Mr. Chopra, at his option and in lieu of receiving the amounts set forth under “Termination for ‘Good Reason’ or

[Table of Contents](#)

without "Cause" above, may elect to receive a lump sum payment in an amount equal to the product of 2.99 multiplied by Mr. Chopra's "base amount" (as defined in Code Section 280G(b)(3)) (the "Alternative Payment").

In order to elect the Alternative Payment, Mr. Chopra must give written notice to the Company of his election: (1) concurrently with his resignation with "Good Reason" following a Change in Control; or (2) within 10 days after he is terminated by the Company without "Cause" following a Change in Control. The Company will pay the Alternative Payment to Mr. Chopra within 5 days after its receipt of the notice. Further, in connection with the Alternative Payment, Mr. Chopra, in his sole discretion, has the right to have all or any portion of his unvested stock options accelerate as of the date of such resignation or termination.

For purposes of the employment agreement, "Change in Control" means the occurrence of any of the following events: (1) any sale, lease, license, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the business and/or assets of the Company or assets that account for over 50% of the operating revenue of the Company; (2) a merger or consolidation of the Company and the Company is not the surviving entity; (3) a reorganization or liquidation of the Company; and (4) a merger, consolidation, tender offer or any other transaction involving the Company if the equity holders of the Company immediately before such merger, consolidation, tender offer or other transaction do not own, directly or indirectly, immediately following such merger, consolidation, tender offer or other transaction, more than 50% of the combined voting power of the outstanding voting securities of the entity resulting from such merger, consolidation, tender offer or other transaction.

The table below reflects the breakdown of payments and benefits that Mr. Chopra would receive, following a Change in Control, assuming that his employment agreement was terminated by the Company without "Cause" or by Mr. Chopra for "Good Reason," and had Mr. Chopra elected to receive the Alternative Payment:

Name	Alternative Payment	Vacation Payout	Expenses	Employee Benefits	Accelerated Vesting(1)	Total
Deepak Chopra	3,238,777	\$ 113,923	—	—	\$ 1,467,393	\$ 4,820,093

The stock option value of options to purchase shares of Rapiscan Systems Holdings, Inc. common stock is calculated by multiplying the number of unvested options to purchase shares by the difference between the grant price and the most recent valuation of such stock by the Company's management. Management last performed such valuation on May 7, 2007. Spacelabs Healthcare, Inc. common stock trades on the AIM, a market administered by the London Stock Exchange. Death or Permanent Disability

In the event of Mr. Chopra's death during the term of his employment, Mr. Chopra's employment with the Company will cease. In addition, in the event Mr. Chopra becomes physically or mentally disabled so as to become unable for more than 180 days in the aggregate in any 12 month period to perform his duties on a full-time basis with reasonable accommodations, the Company may, at its sole discretion, terminate his employment with the Company. Upon the date of his death or upon the Company's termination of his employment due to a disability, (1) Mr. Chopra will be entitled to all unpaid salary, prorated bonuses, unpaid vacation days, unpaid expenses and other benefits made available to the Company's senior members of management, or to its employees generally, through the date of Mr. Chopra's death or termination for disability, and (2) all of Mr. Chopra's unvested stock options in the Company will fully vest on such date.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the executive officers and directors and persons who beneficially own more than 10% of a class of securities registered under Section 12(b) of the Exchange Act to file initial reports of ownership and reports of changes in ownership with the SEC. Such officers, directors and stockholders are required by SEC regulations to furnish the Company with copies of all such reports that they file. None of the Company's directors or executive officers owns more than 10% of the Company's securities. Based solely upon the Company's review of such forms furnished to the Company during the fiscal year ended June 30, 2007, and written representations from certain reporting persons, the Company believes that its executive officers and directors have complied with the requirements imposed on them by Section 16(a) of the Exchange Act except for Mr. Good who neglected to timely file one Form 4 report during the year ended June 30, 2007, relating to the sale of 7,500 shares on March 22, 2007.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On March 23, 2006, Deloitte & Touche LLP (“Deloitte & Touche”) resigned as the Company’s independent registered public accounting firm. The resignation was accepted by the Audit Committee of the Board of Directors. On April 20, 2006, the Audit Committee of the Board of Directors of the Company appointed Moss Adams LLP (“Moss Adams”) as its independent registered public accounting firm. Moss Adams has served as the Company’s independent registered public accounting firm since that time.

Independent Registered Public Accounting Firm Fees

The following table represents fees charged for professional audit services rendered by Moss Adams for the audit of the Company’s financial statements for the year ended June 30, 2007 and fees billed by Moss Adams for other services during such year. The following table also represents fees charged for professional audit services rendered by Deloitte & Touche and Moss Adams for the audit of the Company’s financial statements for the year ended June 30, 2006, and fees billed by Deloitte & Touche and Moss Adams for other services during such year.

	2007	2006
Audit Fees	\$ 2,585,000	\$ 3,668,000
Audit-Related Fees	116,000	62,000
Tax Fees	—	—
All Other Fees	—	—
Total	\$ 2,701,000	\$ 3,730,000

Audit Fees consist of fees billed for professional services rendered for the integrated audit of the Company’s consolidated financial statements and the review of the Company’s interim consolidated financial statements included in quarterly reports and services that are normally provided by Moss Adams and Deloitte & Touche in connection with statutory and regulatory filings or engagements. For the fiscal year ended June 30, 2007, these fees included approximately \$954,000 related to the audit of the Company’s internal control over financial reporting.

Audit-Related Fees consist of fees billed for assurance and related services, primarily related to equity offerings, transfer pricing and pension plan related support and are not reported under “Audit Fees.”

Tax Fees consist of fees billed for professional services rendered for tax advice, planning and compliance (domestic and international).

All Other Fees consist of fees for products and services other than for the services described above. In fiscal 2007 and 2006, there were no fees for services not included in the above categories.

Audit Committee’s Pre-Approval Policy

The Audit Committee pre-approves all audit, audit-related and tax services (other than prohibited non-audit services) to be provided by the independent public accountants. The Audit Committee has delegated to its Chairman the authority to pre-approve all other services to be provided by the independent public accountants, up to an aggregate of \$50,000 each fiscal year. The Chairman reports each such pre-approval decision to the full Audit Committee at its next scheduled meeting.

Independence

The Audit Committee has considered whether Moss Adams provision of services other than its audit of the Company’s annual financial statement and its review of the Company’s quarterly financial statements is compatible with maintaining such independent public accountant’s independence and has determined that it is compatible.

REPORT OF AUDIT COMMITTEE

During the fiscal year ended June 30, 2007, the Audit Committee was composed of three non-employee directors, namely, Steven C. Good, Meyer Luskin and Leslie E. Bider, all of whom meet the independence and experience requirements of the SEC and NASDAQ Listing Standards. Mr. Bider was appointed to the Audit Committee on September 27, 2006. The Board of Directors has determined that Mr. Good qualifies as an "Audit Committee Financial Expert" as this term has been defined under the rules and regulations of the SEC. To date, no determination has been made as to whether the other members of the Audit Committee qualify as Audit Committee Financial Experts. The Audit Committee met times during the fiscal year ended June 30, 2007.

At each of its meetings, the Audit Committee met with the senior members of the Company's financial management team and the independent public accountants. The Audit Committee's agenda is established by the Audit Committee's Chairman and the Company's Chief Financial Officer. During the year, the Audit Committee had private sessions with the Company's independent public accountants at which candid discussions of financial management, accounting and internal control issues took place.

The Audit Committee recommended to the Board of Directors the engagement of Moss Adams LLP as the Company's independent public accountants. The Audit Committee reviewed with the Company's financial managers and the independent public accountants overall audit scopes and plans, the results of internal and external audit examinations, evaluations by the auditors of the Company's internal controls, and the quality of the Company's financial reporting.

The Audit Committee has reviewed with management the audited financial statements in the Annual Report, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the Audit Committee asked for management's representations that the audited consolidated financial statements of the Company have been prepared in conformity with generally accepted accounting principles and have expressed to both management and the independent public accountants their general preference for conservative policies when a range of accounting options is available.

In its meetings with representatives of the independent public accountants, the committee asks them to address and discusses their responses to several questions that the committee believes are particularly relevant to its oversight. These questions include:

- Are there any significant accounting judgments made by management in preparing the financial statements that would have been made differently had the independent public accountants themselves prepared and been responsible for the financial statements?
- Based on the independent public accountants' experience and their knowledge of the Company, do the Company's financial statements fairly present to investors, with clarity and completeness, the Company's financial position and performance for the reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements?
- Based on the independent public accountants' experience and their knowledge of the Company, has the Company implemented internal controls and internal audit procedures that are appropriate for the Company?

The Audit Committee believes that by thus focusing its discussions with the independent public accountants, it can promote a meaningful dialogue that provides a basis for its oversight judgments.

The Audit Committee also discussed with the independent public accountants all other matters required to be discussed by the independent public accountants with the committee under Statement on Auditing Standards No. 61, as amended, AICPA, Professional Standards, Vol. 1, AU section 380, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee received and discussed with the independent

[Table of Contents](#)

public accountants their annual written report on their independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and considered with the independent public accountants whether the provision of services provided by them to the Company during the fiscal year ended June 30, 2007 was compatible with the independent public accountants' independence.

Finally, the Audit Committee reviewed and discussed with management and the independent public accountants the evaluation of the Company's internal controls and the audit of management's report on the effectiveness of the Company's internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. The Audit Committee reviews the Company's SEC reports prior to filing and all quarterly earnings announcements in advance of their issuance with management and representatives of the independent public accountants. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, including evaluating the effectiveness of disclosure controls and procedures, and evaluating the effectiveness of internal controls over financial reporting, and of the independent public accountants, who, in their report, express an opinion on the conformity of the Company's annual financial statements with accounting principles generally accepted in the United States of America, as well as expressing an opinion on (1) management's assessment of the effectiveness of internal control over financial reporting, and (2) the effectiveness of internal controls over financial reporting.

In reliance on these reviews and discussions, and the report of the independent public accountants, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2007, for filing with the SEC.

APPENDIX B
Amended and Restated 2006 Equity Participation Plan
AMENDED AND RESTATED
2006 EQUITY PARTICIPATION PLAN
OF
OSI SYSTEMS, INC.

1. PURPOSES OF THE PLAN

The purposes of this Amended and Restated 1997 Stock Option Plan (the “Plan”) of OSI Systems, Inc., a California corporation (the “Company”), are to:

- (a) Encourage selected employees, directors and consultants to improve operations and increase profits of the Company;
- (b) Encourage selected employees, directors and consultants to accept or continue employment or association with the Company or its Affiliates (as such term is defined in Section 2); and
- (c) Increase the interest of selected employees, directors and consultants in the Company’s welfare through participation in the growth in value of the Company’s common stock, no par value per share (the “Common Stock”), through (i) the grant of stock options under this Plan (“Options”) and/or (ii) the issuance of shares of restricted Common Stock (“Restricted Stock”) under this Plan.

Options granted under this Plan may be “incentive stock options” (“ISOs”) intended to satisfy the requirements of Section 422 of the Internal Revenue Code of 1986, as amended, and the regulations thereunder (the “Code”), or “nonqualified options” (“NQOs”).

2. ELIGIBLE PERSONS

Every person who, at the date of grant of an Option and/or Restricted Stock, is an employee of the Company or of any Affiliate of the Company is eligible to receive NQOs, ISOs and/or Restricted Stock under this Plan. Every person who, at the date of grant, is a consultant to, or non-employee director of, the Company or any Affiliate of the Company is eligible to receive NQOs and/or Restricted Stock under this Plan. The term “Affiliate” as used in this Plan means a parent or subsidiary corporation as defined in the applicable provisions (currently Sections 424(e) and (f), respectively) of the Code. The term “employee” includes an officer or director who is an employee of the Company. The term “consultant” includes persons employed by, or otherwise affiliated with, a consultant.

3. STOCK SUBJECT TO THIS PLAN; MAXIMUM NUMBER OF GRANTS

Subject to the provisions of Section 6.1.1 and Section 8(e)(i) of this Plan, the total number of shares of Common Stock which (a) may be granted as Restricted Stock and/or (b) issued upon the exercise of Options granted pursuant to this Plan, shall not exceed 5,500,000 shares of Common Stock in the aggregate. Subject to the foregoing limitation, in no event shall the total number of shares of Common Stock which may be granted as Restricted Stock pursuant to this Plan be permitted to exceed 1,000,000 shares of Common Stock in the aggregate. The shares of Common Stock covered by the portion of any Option grant under this Plan which expires or remains unexercised shall become available again for grant under this Plan. If any shares of Restricted Common Stock expire or are otherwise terminated, cancelled, surrendered or forfeited, then such shares of Common Stock shall also be available again for grant under this Plan. No eligible person shall be granted Options during any twelve-month period covering more than 425,000 shares.

4. ADMINISTRATION

(a) The Plan shall be administered by the Board of Directors of the Company (the “Board”) or by a committee (the “Committee”) to which administration of this Plan, or of part of this Plan, is delegated by the Board (in either case, the “Administrator”). The Board shall appoint and remove members of the Committee in

its discretion in accordance with applicable laws. If necessary in order to comply with Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and Section 162(m) of the Code, the Committee shall, in the Board’s discretion, be comprised solely of “non-employee directors” within the meaning of said Rule 16b-3 and “outside directors” within the meaning of Section 162(m) of the Code. The foregoing notwithstanding, the Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper and the Board, in its absolute discretion, may at any time and from time to time exercise any and all rights and duties of the Administrator under this Plan.

(b) Subject to the other provisions of this Plan, the Administrator shall have the authority, in its discretion: (i) to grant Options; (ii) to determine the fair market value of the Common Stock subject to Options; (iii) to determine the exercise price of Options granted; (iv) to determine the persons to whom, and the time or times at which, Options and/or Restricted Stock shall be granted, and the number of shares subject to each Option and/or the number of shares of Restricted Stock; (v) to interpret this Plan; (vi) to prescribe, amend, and rescind rules and regulations relating to this Plan; (vii) to determine the terms and provisions of each Option granted (which need not be identical), including but not limited to, the time or times at which Options shall be exercisable; (viii) to determine the form of a grant of Restricted Stock under this Plan (a “Restricted Stock Grant”); (ix) to determine the terms and provisions of each Restricted Stock Grant (which need not be identical); (x) with the consent of the optionee, to modify or amend any Option; (xi) with the consent of the participant, to modify or amend any Restricted Stock Grant; (xii) to defer (with the consent of the optionee) the exercise date of any Option; (xiii) to authorize any person to execute on behalf of the Company any instrument evidencing the grant of an Option and/or the grant of Restricted Stock; and (xiv) to make all other determinations deemed necessary or advisable for the administration of this Plan. The Administrator may delegate nondiscretionary administrative duties to such employees of the Company as it deems proper.

(c) All questions of interpretation, implementation, and application of this Plan shall be determined by the Administrator. Such determinations shall be final and binding on all persons.

5. GRANTING OF OPTIONS; OPTION AGREEMENT

(a) No Options shall be granted under this Plan after September 6, 2016.

(b) Each Option shall be evidenced by a written stock option agreement, in form satisfactory to the Administrator, executed by the Company and the person to whom such Option is granted.

(c) The stock option agreement shall specify whether each Option it evidences is an NQO or an ISO.

(d) Subject to Section 6.3.3 with respect to ISOs, the Administrator may approve the grant of Options under this Plan to persons who are expected to become employees, directors or consultants of the Company, but are not employees, directors or consultants at the date of approval, and the date of approval shall be deemed to be the date of grant unless otherwise specified by the Administrator.

6. TERMS AND CONDITIONS OF OPTIONS

Each Option granted under this Plan shall be subject to the terms and conditions set forth in Section 6.1. NQOs shall be also subject to the terms and conditions set forth in Section 6.2, but not those set forth in Section 6.3. ISOs shall also be subject to the terms and conditions set forth in Section 6.3, but not those set forth in Section 6.2.

6.1 Terms and Conditions to Which All Options Are Subject. All Options granted under this Plan shall be subject to the following terms and conditions:

6.1.1 Changes in Capital Structure. Subject to Section 6.1.2, if the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, or recapitalization, combination or

[Table of Contents](#)

reclassification, appropriate adjustments shall be made by the Board in (a) the number and class of shares of stock subject to this Plan and each Option outstanding under this Plan, and (b) the exercise price of each outstanding Option; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustments. Each such adjustment shall be subject to approval by the Board in its sole discretion.

6.1.2 *Corporate Transactions.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each optionee at least 30 days prior to such proposed action. To the extent not previously exercised, all Options will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any Options prior to their termination, even if such Options were not otherwise exercisable. In the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the shareholders of the Company receive securities of the acquiring entity or an affiliate thereof, all Options shall be assumed or equivalent options shall be substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the Options or to substitute equivalent options therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the Options prior to consummation of such event, even if such Options were not otherwise exercisable.

6.1.3 *Time of Option Exercise.* Subject to Section 5 and Section 6.3.4, Options granted under this Plan shall be exercisable (a) immediately as of the effective date of the stock option agreement granting the Option, or (b) in accordance with a schedule as may be set by the Administrator (in any case, the "Vesting Base Date") and specified in the written stock option agreement relating to such Option. In any case, no Option shall be exercisable until a written stock option agreement in form satisfactory to the Company is executed by the Company and the optionee. Notwithstanding the foregoing, to the extent required by applicable laws, rules and regulations, the right to exercise Options granted pursuant to this Plan shall vest at the rate of at least 20% per year from the date of grant.

6.1.4 *Option Grant Date.* The date of grant of an Option under this Plan shall be the date as of which the Administrator approves the grant.

6.1.5 *Nontransferability of Option Rights.* Except with the express written approval of the Administrator which approval the Administrator is authorized to give only with respect to NQOs, no Option granted under this Plan shall be assignable or otherwise transferable by the optionee except by will or by the laws of descent and distribution. During the life of the optionee, an Option shall be exercisable only by the optionee.

6.1.6 *Payment.* Except as provided below, payment in full, in cash, shall be made for all stock purchased at the time written notice of exercise of an Option is given to the Company, and proceeds of any payment shall constitute general funds of the Company. The Administrator, in the exercise of its absolute discretion after considering any tax, accounting and financial consequences, may authorize any one or more of the following additional methods of payment:

(a) Acceptance of the optionee's full recourse promissory note for all or part of the Option price, payable on such terms and bearing such interest rate as determined by the Administrator (but in no event less than the minimum interest rate specified under the Code at which no additional interest would be imputed), which promissory note may be either secured or unsecured in such manner as the Administrator shall approve (including, without limitation, by a security interest in the shares of the Company);

(b) Subject to the discretion of the Administrator and the terms of the stock option agreement granting the Option, delivery by the optionee of shares of Common Stock already owned by the optionee for all or part of the Option price, provided the fair market value (determined as set forth in Section 6.1.10) of such shares of Common Stock is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by delivery of such stock;

(c) Subject to the discretion of the Administrator, through the surrender of shares of Common Stock then issuable upon exercise of the Option, provided the fair market value (determined as set forth in Section 6.1.10) of such shares of Common Stock is equal on the date of exercise to the Option price, or such portion thereof as the optionee is authorized to pay by surrender of such stock; and

(d) By means of so-called cashless exercises as permitted under applicable rules and regulations of the Securities and Exchange Commission and the Federal Reserve Board.

6.1.7 Termination of Employment. If for any reason other than death or permanent and total disability, an optionee ceases to be employed by the Company or any of its Affiliates (such event being called a "Termination"), Options held at the date of Termination (to the extent then exercisable) may be exercised in whole or in part at any time within three months of the date of such Termination, or such other period of not less than 30 days after the date of such Termination as is specified in the stock option agreement or by amendment thereof (but in no event after the Expiration Date, as such term is defined in Section 6.1.11); provided, however, that if such exercise of the Option would result in liability for the optionee under Section 16(b) of the Exchange Act, then such three-month period automatically shall be extended until the tenth day following the last date upon which optionee has any liability under Section 16(b) (but in no event after the Expiration Date). If an optionee dies or becomes permanently and totally disabled (within the meaning of Section 22(e)(3) of the Code) while employed by the Company or an Affiliate or within the period that the Option remains exercisable after Termination, Options then held (to the extent then exercisable) may be exercised, in whole or in part, by the optionee, by the optionee's personal representative or by the person to whom the Option is transferred by devise or the laws of descent and distribution, at any time within six months after the death or six months after the permanent and total disability of the optionee or any longer period specified in the stock option agreement or by amendment thereof (but in no event after the Expiration Date). For purposes of this Section 6.1.7, "employment" includes service as a director or as a consultant. For purposes of this Section 6.1.7, an optionee's employment shall not be deemed to terminate by reason of sick leave, military leave or other leave of absence approved by the Administrator, if the period of any such leave does not exceed 90 days or, if longer, if the optionee's right to reemployment by the Company or any Affiliate is guaranteed either contractually or by statute.

6.1.8 Withholding and Employment Taxes. At the time of exercise of an Option and as a condition thereto, or at such other time as the amount of such obligations becomes determinable (the "Tax Date"), the optionee shall remit to the Company in cash all applicable federal and state withholding and employment taxes. Such obligation to remit may be satisfied, if authorized by the Administrator in its sole discretion, after considering any tax, accounting and financial consequences, by the optionee's (i) delivery of a promissory note in the required amount on such terms as the Administrator deems appropriate, (ii) tendering to the Company previously owned shares of Common Stock or other securities of the Company with a fair market value equal to the required amount, or (iii) agreeing to have shares of Common Stock (with a fair market value equal to the required amount) which are acquired upon exercise of the Option withheld by the Company.

6.1.9 Other Provisions. Each Option granted under this Plan may contain such other terms, provisions, and conditions not inconsistent with this Plan as may be determined by the Administrator, and each ISO granted under this Plan shall include such provisions and conditions as are necessary to qualify the Option as an "incentive stock option" within the meaning of Section 422 of the Code.

6.1.10 Determination of Value. For purposes of this Plan, the fair market value of Common Stock or other securities of the Company shall be determined as follows:

(a) If the stock of the Company is regularly quoted by a recognized securities dealer, and selling prices are reported, its fair market value shall be the closing price of such stock on the date the value is to be determined, but if selling prices are not reported, its fair market value shall be the mean between the high bid and low asked prices for such stock on the date the value is to be determined (or if there are no quoted prices for the date of grant, then for the last preceding business day on which there were quoted prices).

[Table of Contents](#)

(b) In the absence of an established market for the stock, the fair market value thereof shall be determined in good faith by the Administrator, with reference to the Company's net worth, prospective earning power, dividend-paying capacity, and other relevant factors, including the goodwill of the Company, the economic outlook in the Company's industry, the Company's position in the industry, the Company's management, and the values of stock of other corporations in the same or a similar line of business.

6.1.11 *Option Term.* Subject to Section 6.3.4, no Option shall be exercisable more than 10 years after the date of grant, or such lesser period of time as is set forth in the stock option agreement (the end of the maximum exercise period stated in the stock option agreement is referred to in this Plan as the "Expiration Date").

6.2 *Terms and Conditions to Which Only NQOs Are Subject.* Options granted under this Plan which are designated as NQOs shall be subject to the following terms and conditions:

6.2.1 *Exercise Price.*

(a) Except as set forth in Section 6.2.1(b), the exercise price of a NQO shall in no event be less than the fair market value (as determined in accordance with Section 6.1.10) of the stock subject to the Option on the date of grant.

(b) To the extent required by applicable laws, rules and regulations, the exercise price of a NQO granted to any person who owns, directly or by attribution under the Code (currently Section 424(d)), stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or of any Affiliate (a "Ten Percent Shareholder") shall in no event be less than 110% of the fair market value (as determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3 *Terms and Conditions to Which Only ISOs Are Subject.* Options granted under this Plan which are designated as ISOs shall be subject to the following terms and conditions:

6.3.1 *Exercise Price.*

(a) Except as set forth in Section 6.3.1(b), the exercise price of an ISO shall be determined in accordance with the applicable provisions of the Code and shall in no event be less than the fair market value (as determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

(b) The exercise price of an ISO granted to any Ten Percent Shareholder shall in no event be less than 110% of the fair market value (determined in accordance with Section 6.1.10) of the stock covered by the Option at the time the Option is granted.

6.3.2 *Disqualifying Dispositions.* If stock acquired by exercise of an ISO granted pursuant to this Plan is disposed of in a "disqualifying disposition" within the meaning of Section 422 of the Code (a disposition within two years from the date of grant of the Option or within one year after the transfer such stock on exercise of the Option), the holder of the stock immediately before the disposition shall promptly notify the Company in writing of the date and terms of the disposition and shall provide such other information regarding the Option as the Company may reasonably require.

6.3.3 *Grant Date.* If an ISO is granted in anticipation of employment as provided in Section 5(d), the Option shall be deemed granted, without further approval, on the date the grantee assumes the employment relationship forming the basis for such grant, and, in addition, satisfies all requirements of this Plan for Options granted on that date.

6.3.4 *Term.* Notwithstanding Section 6.1.11, no ISO granted to any Ten Percent Shareholder shall be exercisable more than five years after the date of grant.

7. MANNER OF EXERCISE

(a) An optionee wishing to exercise an Option shall give written notice to the Company at its principal executive office, to the attention of the officer of the Company designated by the Administrator, accompanied by payment of the exercise price and withholding taxes as provided in Sections 6.1.6 and 6.1.8. The date the Company receives written notice of an exercise hereunder accompanied by payment of the exercise price will be considered as the date such Option was exercised.

(b) Promptly after receipt of written notice of exercise of an Option and the payments called for by Section 7(a), the Company shall, without stock issue or transfer taxes to the optionee or other person entitled to exercise the Option, deliver to the optionee or such other person a certificate or certificates for the requisite number of shares of stock. An optionee or permitted transferee of the Option shall not have any privileges as a shareholder with respect to any shares of stock covered by the Option until the date of issuance (as evidenced by the appropriate entry on the books of the Company or a duly authorized transfer agent) of such shares.

8. RESTRICTED STOCK

(a) *Terms of Grant.* The Administrator may grant Restricted Stock Grants to such employees, consultants and non-employee directors, in such amounts, and subject to such terms and conditions as the Administrator may determine in its sole discretion, including such restrictions on transferability and other restrictions as the Administrator may impose, which restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Administrator shall determine. No Restricted Stock Grants shall be granted under this Plan after September 6, 2016.

(b) *Purchase Price.* The Administrator shall, in its sole discretion, determine the purchase price, if any, and form of payment for Restricted Stock.

(c) *Restricted Stock Grant Agreement.* Restricted Stock shall be granted pursuant to a written agreement, in form satisfactory to the Administrator, which shall set forth the terms of the Restricted Stock Grant. Restricted Stock granted under a restricted stock grant Agreement shall be evidenced by certificates registered in the name of the participant, which certificates shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock. The Company may retain physical possession of any such certificates, and the Company may require a participant awarded Restricted Stock to deliver a stock power to the Company, endorsed in blank, relating to the Restricted Stock for so long as the Restricted Stock is subject to a risk of forfeiture.

(d) *Rights as Shareholder.* Unless otherwise determined by the Administrator at the time of a grant, the holder of Restricted Stock shall have the right to vote the Restricted Stock and to receive dividends thereon, unless and until such shares are forfeited.

(e) *Adjustments.*

(i) *Changes in Capital Structure.* If the stock of the Company is changed by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, appropriate adjustments shall be made by the Board in the number and class of shares of stock subject to this Plan and each Restricted Stock Grant outstanding under this Plan; provided, however, that the Company shall not be required to issue fractional shares as a result of any such adjustment. Each such adjustment shall be subject to approval by the Board in its sole discretion.

(ii) *Corporate Transactions.* In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each participant at least 30 days prior to such proposed action. The Restricted Stock Grants will terminate immediately prior to the consummation of such proposed action; provided, however, that the Administrator, in the exercise of its sole discretion, may permit exercise of any Restricted Stock Grant prior to its termination, even if such Restricted Stock Grant were not otherwise exercisable. In

[Table of Contents](#)

the event of a merger or consolidation of the Company with or into another corporation or entity in which the Company does not survive, or in the event of a sale of all or substantially all of the assets of the Company in which the shareholders of the Company receive securities of the acquiring entity or an affiliate thereof, all Restricted Stock Grants shall be assumed or equivalent awards shall be substituted by the successor corporation (or other entity) or a parent or subsidiary of such successor corporation (or other entity); provided, however, that if such successor does not agree to assume the Restricted Stock Grants or to substitute equivalent awards therefor, the Administrator, in the exercise of its sole discretion, may permit the exercise of any of the Restricted Stock Grants prior to consummation of such event, even if such Restricted Stock Grants were not otherwise exercisable.

9. EMPLOYMENT OR CONSULTING RELATIONSHIP

Nothing in this Plan, nor any Restricted Stock Grant, nor any Option grant, shall interfere with or limit in any way the right of the Company or of any of its Affiliates to terminate any participant's or optionee's employment or consulting at any time, nor confer upon any participant or optionee any right to continue in the employ of, or consult with, the Company or any of its Affiliates.

10. CONDITIONS UPON ISSUANCE OF SHARES

Neither shares of Restricted Stock nor shares of Common Stock underlying Options shall be issued to the participant or the optionee unless the issuance and delivery of such shares of Restricted Stock, the exercise of such Option and the issuance and delivery of such shares of Common Stock underlying such Option shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended (the "Securities Act").

11. NONEXCLUSIVITY OF THE PLAN

The adoption of this Plan shall not be construed as creating any limitations on the power of the Company to adopt such other incentive or equity participation arrangements as it may deem desirable, including, without limitation, the granting of stock options or the issuance of shares of Common Stock other than under this Plan.

12. MARKET STANDOFF

Each participant and optionee, if so requested by the Company or any representative of the underwriters in connection with any registration of the offering of any securities of the Company under the Securities Act, shall not sell or otherwise transfer any shares of Common Stock acquired upon exercise of Options and/or any shares of Restricted Stock during the 180-day period following the effective date of a registration statement of the Company filed under the Securities Act; provided, however, that such restriction shall apply only to the first registration statement of the Company to become effective under the Securities Act after the date of adoption of this Plan which includes securities to be sold on behalf of the Company to the public in an underwritten public offering under the Securities Act. The Company may impose stop-transfer instructions with respect to securities subject to the foregoing restriction until the end of such 180-day period.

13. AMENDMENTS TO PLAN

The Board may at any time amend, alter, suspend or discontinue this Plan. Without the consent of an optionee and/or a participant, no amendment, alteration, suspension or discontinuance may adversely affect (a) outstanding Options except to conform this Plan and ISOs granted under this Plan to the requirements of federal or other tax laws relating to incentive stock options and/or (b) Restricted Stock Grants. No amendment, alteration, suspension or discontinuance shall require shareholder approval unless (a) shareholder approval is required to preserve incentive stock option treatment for federal income tax purposes or (b) the Board otherwise concludes that shareholder approval is advisable.

14. EFFECTIVE DATE OF PLAN; TERMINATION

This Plan shall become effective upon adoption by the Board provided, however, that no Option shall be exercisable unless and until written consent of the shareholders of the Company, or approval of shareholders of the Company voting at a validly called shareholders' meeting, is obtained within twelve months after adoption by the Board. If such shareholder approval is not obtained within such time, Options granted hereunder shall terminate and be of no force and effect, and any Restricted Stock Grants or exercises that have already occurred shall be rescinded, from and after expiration of such twelve-month period. Options may be granted and exercised under this Plan only after there has been compliance with all applicable federal and state securities laws. This Plan (but not the Options and/or the Restricted Stock Grants previously granted under this Plan) shall terminate on September 6, 2016.

15. DELIVERY OF FINANCIAL STATEMENTS

To the extent required by applicable laws, rules and regulations, the Company shall deliver to each optionee financial statements of the Company at least annually while such optionee holds an outstanding Option.
